REPORTS

CHRISTIAN LIFE COMMITTEE REPORT

The times change; social customs change; people's concepts of certain moral issues often change with the times, but God never changes. There is a moral absolute, and this absolute is God. This we must never forget nor ignore. God's judgements and his rewards are not necessarily manifested as immediately as men judge or reward one another, but in time the moral actions of humanity bring their judgment or their reward. In other words, a society or culture is not a good or a bad one from its inception, but it grows toward its ultimate end whether good or bad. The same principle is in operation in the individual life, in communities and cities as well as in a culture itself. This is one of the more important reasons why we must take a good long look at any moral issue and determine within reasonable bounds how it is going to affect our individual lives and the communities in which we and our children live, and into which our descendants shall be born. Then we must do everything within our power and the legal limits of the state to support the things that are good, or to defeat what has been determined to be evil.

Your Christian Life Committee was elected to act as your reporter on the moral

issues that confront us in the area of the Central Baptist Association and in the nation generally; also to make recommendations as to action that can be taken to correct the evil influences that are being exerted upon us and our children.

We have not done a great deal in the way of action this year. A warning was issued by the Committee concerning the action taken by the High Point Chamber of Commerce in publishing a census of its own members, that showed a majority of them in favor of liquor-by-the-drink in High Point. The warning was that this poll is an attempt to revive the liquor issue in High Point. For this, the (then) editor of the High Point Enterprise referred to Central Association Baptists as "knee-jerk reactionists." However, since that time other articles have appeared in the same newspaper that favorably presented the opinions of the liquor forces. Also, since that time, it has appeared in state newspapers that it was the Charlotte, N.C., Chamber of Commerce which promoted the legislative action resulting in a city-wide referendum on liquor-by-the-drink (the results of which are not known at the writing of this report). It remains to be seen who will be shown to be the most radical reactionists. We mention this only as a warning against being influenced to wrong action by the publicizing of such polltaking. Other towns and cities have voted on and passed ordinances or laws in favor of the legal sale and use of alcoholic beverages, and in most cases the issue was pushed by those who think they stand to gain the most financially. It is the conviction of the members of your Christian Life Committee that no town or city in the State of North Carolina could pass such a law if the Christian people (or church members) of voting age would register and vote according to the teachings of the Bible! So we lose such elections by default. One is reminded of the rebuke by the prophet Hosea (6:9). "... the company of priests murder in the way by consent..."

The Committee sent telegrams to our Guilford legislators at the time when legislation was being considered concerning other liquor issues. Only one, Hon. Hargrove "Skipper" Bowles replied that he was voting against any further liberalizing of liquor laws in North Carolina. At the Christmas season the Committee requested and received authorization to have a local radio station to spot taped messages by High Point citizens, against the use of alcohol beverages.

But there are other moral issues that confront us daily. The growing practice of drug abuse now constitutes one of the major problems facing both the citizenry and law enforcement agencies. This insidious evil has gained a strong foothold right in our public schools, and is practiced even by some of our Baptist church members!

Coupled with these is the phenomenon of pornography. An August issue of the Enterprise carried a statement in an article proclaiming that the US pornographers have equalled or surpassed the Scandanavians in explicitness. Among the citizens of our communities there is no lack of those who buy such dirt, and bid the maker and displayers of erotic motion picture films God-speed by paying admissions to see them, thus becoming partakers of their evil deeds. This is not Christian!

There is one other major area of concern in the matter of Christian ethics and morals, and that is the area of race relations. After the Supreme Court's edict in 1954 it was assumed by some that this was the Church's problem as far as a solution was concerned; and, indeed, it remains one of the concerns of the Church. But we must remember that we live in a world that is basically anti-Christian, and we can expect only a small percentage of the population to react favorably to proposals made by the Christian church if such proposals go against the concepts of right and wrong as held by the world. However, this does not mean that we are to make no radical proposals in the realm of Christian ethics and morals. But our proposals should be not in word only; they should be accompanied immediately by corresponding action. In fact, the actions of Christian people should never be sporadic or expediential, but should be a normal way of life, day in and day out. In other words, there should not have to be a council to PROMOTE BETTER race relations, but the heart and life that has been

changed by the indwelling of Jesus Christ should and MUST demonstrate consistently the love for God that is evidenced in our love for mankind! Jesus said, "Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind... And...Thou shalt love thy neighbor as thyself. On these two commandments hang all the law and the prophets" (Matt. 22:37-40). Some churches have opened their doors to all persons for both attendance and membership. Instead of suffering from it they have gained in spiritual growth and in Christian ministry. There is a further opportunity for the Christians of our Association to demonstrate the love of Christ and to experience better human relations, and that is in our public schools. It is as simple as teaching our precious children the kind of respect for one another that our Saviour himself taught his followers, and that the Word of God still teaches his followers. Surely, it is not asking too much of the only people in the world who hold the key to peace in their hands to teach their children by word and example to treat other human beings who, too, are made in the image of God with the kind of respect and dignity that we expect from everyone else!

We must prepare ourselves for even greater conflict in the future against ALL immoral and unethical practices and influences.

It seems, in view of the teachings of our Lord, that the appropriate (and only) recommendation that your Christian Life Committee should make is that having thoroughly weighed all evidence, we "abstain from every appearance of evil," and "cling to that which is good!" as we try to show and tell others the message of salvation and of the New Life in Christ!

JUVENILE REHABILITATION REPORT

Since I began my work with the Association as of May 1, 1971, this will be a general report. Personally, I thank Paul Odum for the fine job that he has done in this position and hope you will join me in gratitude for his contribution and efforts in this associational work. Much of the hard work, time and dedication just cannot be seen. He has handed to me a place of responsibility, that is easier for me to learn because of the foresight and planning that he put into the work.

Also, Mr. Aubrey Strother has been very helpful in my adjusting and learning the needs of the work. Because of his relationship in our work, I feel the General Court is cooperating more than it might otherwise. There has been developed a good rapport during the years and this enables us to reach many boys and girls to offer our help.

Since our Annual Meeting last year, there have been about eighteen (18) referrals from the Court. Only one of these did not want our help. From our regular reports, most of these young people are doing better at home and in school. Of course, there are also some disappointments, but blessings overcome the failures. Our work is appreciated by those who know about it and the needs grow greater each day.

We hope to enlarge and expand the work so that we can help many more. This will require more sponsors. How about you ? If you will help a young person and yourself, please see me now.

Robert G. Canipe

BAPTIST HOSPITAL REPORT

Your Baptist Hospital admitted 17,557 persons in 1970 for a total of 150,174 days of care. In addition, there were 51,563 visits to outpatient clinics, including 17,241 to

the Emergency Room. About 90% of these were "referral" patients--that is, patients who were referred to our Hospital by their local physicians because they needed the specialized medical care our Hospital is staffed and equipped to offer.

Our Hospital, from the day of its beginning, has provided good medical care for our people, including care for persons who cannot pay the cost. There has been great progress in medicine and tremendous increase in hospital costs, and these have made some policy changes necessary. The basic policy of providing care--now the highly specialized care for the more difficult cases -- for those who cannot pay has not changed. This Christian ministry is at the heart of the work of our Baptist Hospital.

The financial situation of the Hospital is viewed by the administration with "cautious optimism". The operating deficit has been reduced and expenditures are being kept more nearly in line with income. The entire staff is cooperating in an effort to maintain a proper balance between sound financial policies and a spirit of Christian compassion.

The Medical Center Development Program is progressing on schedule. The new patient Tower is expected to be ready for partial occupancy by late 1972. The 14 bed coronary care unit will open about September, 1971. A statewide Development Campaign, initiated with pledges totaling $177,182 from employees of the Medical Center, is moving toward successful completion.

Baptist Hospital offers a ministry of healing in Christ's name to all who need it. It seeks to fulfill the same purpose in North Carolina that a Baptist Hospital operated by our Foreign Mission Board seeks to fulfill in Korea or Nigeria. It ought to be supported by missionary-minded Baptists with the same enthusiasm and for the same reason we support every other phase of our denomination's World Mission Program. This is missions too.

Through August 1971, 23 churches of Central Association gave $4,493.90 for the support of this ministry.

BAPTIST HOMES FOR THE AGING

Our North Carolina Baptist Homes for the Aging celebrated their 20th anniversary in March of this year. During these two decades, the story of our Homes has been one of faith and the abundant blessings of God upon this special ministry to older people. God has brought us from one Home, and one resident in 1951, to five Homes and a Nursing Care Unit, with total accommodations for 160 residents and 76 patients. Two of these Homes, Resthaven and the Hayes Home, and the Nursing Care Unit are located in Winston-Salem, and the other three Homes are located in Albemarle, Hamilton, and Yanceyville. In these Homes, our residents are loved, and we feel that there is no greater security that they could have and no better care that they could receive.

The past year has been one of the best ever, and we are rejoicing in the blessings that have come from God through our Baptist people. Support for the Homes from the churches, through the Cooperative Program and the Special Day Offering, has been most encouraging. For the last three years, the Homes have had an alarming deficit and have operated in the red. We have not yet reached the point of operating in the black, but let us say, with hopeful optimism, that we are approaching this time. The deepened concern of our Baptist People and the increase in gifts have been strong contributing factors to the success of the past year.

At least 80% of the people who live in our Baptist Homes are financially needy persons and benefit directly from the love gifts of North Carolina Baptists. They simply could not be maintained, and the Homes could not be operated without the Special

Offering, designated gifts from the churches and the Cooperative Program. We would urge our Baptist people, therefore, to remember how dependent these dear older people are on them and would challenge them to give more liberally than ever and to see that their gifts are a real life-line in the on-going of this ministry.

Of unusual interest during the past year has been the construction of the new addition to the Nursing Care Unit in Winston-Salem. It is anticipated that this new facility will be ready for occupancy by September 1. It will make available 20 additional beds and bring the total capacity of the Nursing Care Unit to 76. This addition was made possible by the generous challenge gift of $80,000.00 from Judge and Mrs. William York, of Greensboro. The trustees accepted the challenge and raised an $80,000.00.

Pray for your Baptist Homes for the Aging and remember that any ministry to an older person in the name of Christ is a direct ministry to Him.

W.H. Barker

BAPTIST CHILDREN'S HOMES REPORT

Let a graduating senior express what it is like to live in one of our Baptist Children's Homes: "I really do not know how to write about a place which has been so fine, and which has given me the opportunity to worship, work, and learn; not only where we stand in moments of comfort and convenience, but where we stand in

moments of challenge and moments of controversy. After all these years, one finally learns that certain values and practices are good and sound and help children to feel secure and happy."

This statement could be made by almost any senior regarding his home and community, for a child in the care of the Baptist Children's Homes has basically the same attitudes and values as other children. He differs from other children only in the tragic experiences which have made it necessary for him to live away from his family. For these children, it is our mission to provide loving care in the spirit of Jesus Christ. We want to work in harmony with what we sense God is doing in the life of each child, enabling the child to tap his own inner resources and grow to responsible adulthood.

The pursuit of this basic goal has led the Children's Homes to develop a variety of services, all family centered. Some families need resident care for their children and for these we have group homes and foster homes. Some families can remain together with outside help and for these we have family services in the form of counseling or financial assistance. For the unmarried girl who is pregnant, we offer maternity care. For the graduate in our care, we assist in higher education. For churches involved in day care, we provide a demonstration program and consultation service. We welcome individual inquires regarding any of these services as the need may arise.

Our services are made available through strategically located facilities throughout North Carolina: in the East at Kinston, Pembroke, Fayetteville and Raleigh; in the Piedmont at Chapel Hill, Thomasville and Charlotte; in the West at Asheville and Waynesville.

Staff members and children of the Baptist Children's Homes are grateful for the harmonious relationship we have shared with North Carolina Baptists. The churches have expressed their confidence and support through increased Cooperative Program gifts and a 1970 Thanksgiving Offering of $380,000. Individuals continue to give generously and to become involved in our varied ministries. We accept this support as an investment in all that we are doing and we pledge ourselves to translate your investment into quality Christian child care.

Mrs. Grayson LaMar

DEPARTMENT OF STUDENT WORK

The Department of Student Work of the Baptist State Convention of North Carolina seeks to minister to those on the various college and university campuses in this state.

Across North Carolina there are more than 125,000 students enrolled in over 70 institutions of higher learning. The Department of Student Work has campus chaplains or BSU directors on 30 of these campuses. Many of these ministers are local pastors or faculty members who serve in a volunteer or part-time capacity.

The ministry of the BSU varies from campus to campus, but each unit operates within a basic philosophy and guidelines decided upon by the Convention. The work on the local campus seeks to help the student relate his Christian faith to the academic world of which he is a part.

Beyond the local campus there are other opportunities for student involvement. During the 1970-71 school year the BSU Fall Convention was held at Ridgecrest Baptist Assembly. Approximately 400 students participated in this program. A conference for International Students was held during the Thanksgiving holidays at the North Carolina Baptist Assembly. Caswell was also the site for the BSU Spring Conference. There were 300 students attending this meeting.

During the summer months students were involved in various outreach projects. Six students formed the RHYMES WITH REASONS, a Christian folk team. The students toured North Carolina sharing their faith through music. The majority of their concerts were in resort areas. The Apostoloi Team, composed of two boys and two girls, spent ten weeks in youth ministry in various churches. This team spent eight weeks of the summer in churches in the Carolina Association. Ten students were involved in mission and ministry in Morehead City. This beach ministry project was coordinated through the Bogue Banks Ministry Inc.

The work of the Student Department is a part of the total witness of State Missions. The staff and personnel of this department stand ready to assist the local church in its ministry to students. Likewise, the department needs the support and assistance of each local church as it attempts to minister on the campus.

James Greene

DEPARTMENT OF INTERRACIAL

MINISTRIES REPORT

An important event of the past year was to welcome the Reverend Leo Williams, Jr., to the staff as Director of Christian Education. He is a part of the expanding cooperative ministries sponsored by the General Baptist State Convention and the Baptist State Convention.

This summer a record number of 30 young people and adults were appointed to serve in a variety of places throughout the state. They have ministered primarily to young people in Bible camps, week-day programs, day-care centers, and Vacation Bible Schools. From the mountains to the coast they have ministered in churches of both conventions, reaching the youth of all races.

For the first time applications for summer work were rejected because funds were not available. The summer of 1972 may result in the same problem unless additional resources are provided. We are hoping that individuals and churches will see fit to help provide funds for this project.

Another objective of the department is to provide programs and materials to General Baptist churches and associations upon request. This is another way whereby the various departments may cooperate in reaching, teaching, and training people. Leaders of the General Convention are invited to reciprocate by providing messages and materials to aid individuals and churches in the Baptist State Convention. This exchange of talents and information helps us to get the best from both conventions, while improving relationships between the races.

As our young people become better acquainted in public schools, colleges, and in the military, they are placing greater demands on their churches and denomination to be racially inclusive in their ministries. We are eager to help pave the way for those congregations who believe that the Great Commission involves a challenge to reach all people with the gospel.

Those who serve within these cooperative ministries are especially happy to provide their services to churches and associations of both Baptist state conventions. In addition to the Director they are Mrs. Mary E. Washington, Office Secretary; C.C. Craig, Jr., Raleigh; Leo Williams, Jr., Raleigh; J.Z. Alexander, Raleigh; Benjamin Daniels, Winston-Salem; and Mrs. Alcovia O. McCall, Asheville.

BIBLICAL RECORDER REPORT

At a time when some religious publications are losing circulation, it is good to report that the BIBLICAL RECORDER has passed 93,000--the highest circulation in its 138-year history. This circulation is a tribute to the Baptists of North Carolina who support the paper so faithfully.

Even though inflation continues to create problems, you can receive the RECORDER under the Church Budget Plan for the same price it was in 1960--only $2.00 a year. It is not known how long this reasonable price can be made available and that is all the more reason churches should enlist immediately.

The RECORDER likes to report all the good news it can about Baptists. The paper is proud to be the instrument that communicates to the world what our denomination is doing. When evil needs to be exposed, however, the RECORDER does not shun it. This was evidenced again in the legislature this year as the liquor forces managed only small gains. And these may turn out to be unconstitutional. We are referring to the local option liquor by the drink elections in Moore and Mecklenbur Counties. The RECORDER stresses Christian citizenship. Perhaps this is one reason the paper continues to reach more and more people--it stands for something.

The RECORDER appreciates every reader and supporter. The cost is reasonable. You can receive the RECORDER under the Church Budget Plan for only 4¢ a week--half the cost of mailing a letter. There is no more economical way to have an informed membership than by sending the RECORDER to every family.

FOUNDATION REPORT

The North Carolina Baptist Foundation, Inc., was organized in 1920. It has a fifteen-member Board of Directors elected by the Baptist State Convention. The policies and procedures of the Foundation and the support of the same is in the hands of the Baptist State Convention of North Carolina. In other words, this is your Foundation, and you should know more about its services and activities.

During the past twelve months, the Foundation has had a gradual growth, in that several individuals and churches have made contracts with the Foundation to accomplish specific purposes such as: supporting an agency or institution of the Baptist State Convention, the Southern Baptist Convention and world-wide objects. In one or two instances, individuals through their wills have added to existing memorials that were established during the lifetime of the donor. The Foundation stands ready to render service to individuals and churches as their requests are made known. We wish to serve you.

EVANGELISM REPORT

We all miss Brother Jimmy D. Hinson who was your elected Chairman of Evangelism until he accepted the important office of Associate to the Chairman of the Division of Evangelism for the State of North Carolina. Since Brother Hinson's departure I have been asked to serve in his place for our Association.

The new W.I.N. (Witness Involvement Now) materials have been prepared and many

of our pastors are in process of studying them. We have already had one preparation meeting setting up schools of Lay Evangelism here in Central Association next March 6-12, 1972. The next preparation meeting is scheduled for November 9, 1971 (Tuesday), at our Central Associational Office, 402 Steele Street. In this meeting pastors and one or more laymen of participating churches are urged to be present. To date we have twelve churches and approximately two hundred twenty-four persons committed to our Lay Schools of Evangelism. This promises to be a worthy program for spurring personal witnessing. If your church is not committed to this special effort, we hope you will take care of that right away.

Our Statewide Evangelism Conference will meet in Cumberland County Auditorium, Fayetteville, February 7-9, 1972. Pastors are urged to enlist laymen to attend this meeting. You will remember the grand climax of the Conference at Greensboro when over 22,000 overflowed the Coliseum on Youth Night.

SUPERINTENDENT'S REPORT

As I begin my eleventh year, my heart is filled with gratitude to God for the progress being made in our Association. Although I do not have the Uniform Church Letters to give an analysis of our work, I feel, however, that this has been one of our best years.

For many years many have felt the need for a building where some mission work could be done. This dream has become a reality as you can see by the cover on the Book of Reports. God led in a marvelous way in guiding our Committee to purchase the building.

In our sewing classes, we have just closed our second quarter. We have had 53 enrolled in these classes with nine instructors. The next quarter will begin October 26.

A Vacation Bible School was held at the Baptist Center August 16-20 with Miss Alma Bumgarner as Director. We had an enrollment of 66 with 54 average attendance.

Our tutoring program, under the direction of Mrs. Hazel Young, is getting off to a good start. There are thirteen boys and girls who are at the Baptist Center each afternoon to receive help. There are six ladies assisting Mrs. Young.

Food and clothing have been distributed to more than one hundred people. The writer has counseled with some thirty families and ten young people.

Several ladies have come to the Center to help with the clothes and food distribution. There is much more to be done. We need four or five workers for our tutoring program from 3:15-4:30 each school day. There is also a need for two or three sewing instructors. Pray about the work in the Association, and ask God what he would have you do.

The following gives you some idea of what the Superintendent has been doing:

MISSIONS COMMITTEE REPORT

The Missions Committee had a busy year as we attempted to serve our Lord and Central Baptist Association. We hope that we failed neither.

The Committee requested and received financial aid from our Baptist State Convention for two of our churches as well as for our Association.

Early in the Associational year, the Committee was led to investigate the possibility of securing property in a central location for the purpose of housing the office of the Association, and from which a ministry to people could be realized. In December, the Committee made a recommendation to the Executive Committee and the property at 402 Steele Street was purchased in February.

By March, the Committee had secured leadership in definite mission areas and some were underway at the beginning of April.

The Committee received a challenge at their March meeting, as a letter was read from the Directors of the New Life Homes, Inc., stating that if Central Baptist Association would operate the Homes they would turn them over to the Association. The Executive Committee gave our Committee permission to operate these Homes on a trial basis, during which time the Association would be under no legal obligation, to see if proper leadership could eliminate some of the indebtedness.

We come to this session of our Annual Meeting with a sense of fulfillment. We feel that doors have opened and Baptists of Central Association have, thus far, walked through those doors. Another door will open...one which will allow us to have a ministry to alcoholics in our city. The Executive Committee has gone on record supporting a motion that shall be made to this session concerning this ministry.

We have no intention of resting on our past accomplishments. The fruit is ripe. The opportunity to minister is overwhelming! We ask your support through prayer and for God's leadership. We shall continue to probe among the wrappings of our society until we find another need and another opportunity for you to have a ministry of love and compassion.

We take this opportunity to express to each member of Central Baptist Association our appreciation for the support given to this Committee. We also wish to express our deep appreciation to Brother Floyd Rhyne for his direction given to Central Baptists and for his labor of love among us.

Respectfully submitted,
Raymond White, Chairman

WOMAN'S MISSIONARY UNION REPORT

The mission purpose of Woman's Missionary Union has remained constant. The concepts of mission study, prayer, giving and serving are still primary.

During the 1970-71 year, the Associational W.M.U. has attempted to introduce the NEW grouping-grading to the churches in order that they might perform their tasks more effectively.

Associational activities are listed below:

1. Foreign Mission Study was held in three of the churches. Block teaching method provided a study for all churches.
   1. Green Street - November 11
   2. Oak View - November 30
   3. Conrad Memorial - December 2

2. Home Mission Study was held February 15 at Emerywood Church. This study included classes for all age level groups. The Brotherhood and R.A. organizations were co-sponsors of this event.

3. March 16-18 - Mrs. Neal R. Lancaster and Mrs. B.J. Williams attended the state W.M.U. Annual Session in Fayetteville. The theme of the meeting was "Free Indeed." Churches participating in 100% OPERATION PAYOFF for Mundo Vista were recognized.

"The state of State Missions Ministries"

GENERALLY SPEAKING, State Missions in North Carolina can be divided into two major categories: (1) ministries that STRENGTHEN and (2) ministries that LENGTHEN the witness of local churches.

STRENGTHENING ministries involve the various church program organizations such as Sunday School, Church Training, WMU, Brotherhood, etc. These are programs that better enable local churches to realize their own mission potential.

State Missions ties into all of this by providing resources and personnel that assist in the development of these ministries. Workshops, seminars, and conferences are conducted each year that deal directly with the strengthening of these organizations. State Missions, therefore, helps local churches as they themselves become types of "Mission station" across the state.

The second type of State Missions are those ministries that LENGTHEN the witness of local churches. These are cooperative efforts that "represent" the concerns of local churches. These are cooperative efforts that "represent" the concerns of local churches; programs that require the support of many congregations. Some examples of these ministries include Urban Missions, Interracial Cooperation, Resort Ministries, Language Ministries, Chaplaincy, Fruitland Baptist Bible Institute, Seminary Extension, Ministry to the Deaf, etc. These are specialized programs that require the continued support of well-trained personnel. Many of these ministries are co-sponsored with the Southern Baptist Home Mission Board who provide home missionaries, as well as other resources.

Each of these ministries, however, works closely with local churches and associations. In Resort Ministries, for example, local churches and associations often participate by providing personnel and other resources. It is not uncommon for urban weekday programs to look to churches and associations for a needed location and other resources.

Other extending ministries include Literacy Work, Migrant Missions, Mountain Missions, Week-Day Ministries and Youth and Family Services. All total, State Missions involves over 50 difference ministries across North Carolina. These programs serve as a vital link in the total World Mission responsibility of North Carolina Baptists.

Respectfully submitted,
Howard J. Ford,
Director of Missions
Baptist State Convention of N.C.

Constitution

OF THE CENTRAL BAPTIST ASSOCIATION

OF NORTH CAROLINA

Revised October 18, 1971

PREAMBLE

For the declaration of its fundamental purposes and the permanent guidance and control of its activities, the body does adopt the following as its constitution, subject to amendment:

ARTICLE I - Name

The name of this body is the Central Baptist Association.

ARTICLE II - Purpose and Objective

The purpose of this Association shall be to assist in the cooperation of Missionary Baptist Churches in the area of High Point, North Carolina. The Association shall promote fellowship, evangelism, church organizations, church building, missions and Christian education in the area of the Association; and at the same time cooperate with other associations, the Baptist State Convention of North Carolina, and the Southern Baptist Convention in all work of Southern Baptists.

ARTICLE III - Membership

The Association shall consist of messengers who are members of the affiliated churches as follows:

(1) Each church affiliated with this Association shall be entitled to four messengers, and every church having one hundred members shall be entitled to six messengers, and one additional messenger for every fifty thereafter, provided that number does not exceed ten:

(2) Pastors of the affiliated churches and their missions;

(3) Duly elected officers of the Association.

ARTICLE IV - Affiliated Churches

Section 1. The Churches affiliated with this Association shall be churches who use the New Testament as a statement of their faith and church polity, and require that a person upon his profession of faith in Jesus Christ as Saviour and Lord be immersed in water to qualify for church membership.

Section 2. Baptist churches shall be received into the fellowship only after having been under the watchcare of the Association for one full year. Application for membership shall be made through the Credentials Committee. The Executive Committee shall have authority to receive any church under watchcare upon recommendation of the Credentials Committee. Churches under watchcare of the Association shall make written monthly reports on forms provided by the Associational Clerk.

Section 3. Baptist churches affiliated with and in fellowship with other Baptist Associations may become affiliated with the Association without coming under the watchcare; upon the recommendation of the Credentials Committee, and approval of the Executive Committee or Association.

Section 4. The Association shall be clothed only with the authority to advise the churches touching all things pertaining to their interest but shall in no case presume to direct or control them in reference to their government or internal policy. The Association recognizes the complete autonomy of each affiliated church. Each church shall recognize the complete autonomy of the Association.

Section 5. Whenever a church fails to be represented by letter at the annual meeting, or fails to show interest by financial support and attendance at associational meetings, or reportedly violates Section 1 of this article, the Moderator shall ask the credentials Committee to confer with the church. If a satisfactory reason is not given, and there is no evidence of effort to deep alive their association with cooperating churches, the Credentials Committee shall bring its findings to the Association. The Association, by majority vote of its messengers casting ballot, may then withdraw its fellowship. The Association recognizes that any affiliated church has the right to withdraw its fellowship from the Association.

ARTICLE V - Officers

'A PERSONAL WORD'

October 19, 1972

Dear Friends,

The leaders of our State Convention have introduced a three-year program called "Together We Advance." This is a four-point program involving a 10% increase each year in Baptisms, Sunday School enrollment, gifts through the Cooperative Program and the Associational Mission Program. This is the first time any State Convention has included gifts through the Association in long range planning. This point alone should sell the program to any church.

Our Cooperative Program gifts have not increased with the economy. Over a five year period total gifts have increased by $580,000.00, while Cooperative Program gifts have increased only $16,841.00. Our Baptism ratio was 1-25 resident members for 1970-71. Our Sunday Schools are declining----44% of the total enrollment were absent each week.

My dear friends, God expects something better of us. The advance Program is very realistic and one which I believe will help us beyond measure. Please encourage your church to prayerfully consider this fine program.

Devotedly yours,

Floyd H. Rhyne

Reports

CHRISTIAN LIFE COMMITTEE REPORT

There is one thing that we must never forget if we are to have any measure of success in the struggle of good against evil: it is a never-ending struggle. With every generation comes a new army of the foe; as certainly as there is a victory fo the right, just as certainly we can expect the foe to regroup and come at us again. The outstanding characteristic of the devil is his unwillingness to give up in his efforts to seduce the souls of men. This is one quality that we as Baptists and Christians could and should make sure that we have.

Statistics tell a grim story of the moral life in America. Perhaps not less in the State of North Carolina, and within the boundaries of Central Baptist Association. If there is a bright spot in this situation, locally, it might be seen in the fact that ABC stores have thus far been kept out of the City of High Point. But even this is not assured for the future unless the citizens wake up to what is being done by the brewing and distilling industries to get their products on the market here.

Drug abuse, alcoholism (experts predict 30 million alcoholics in the U.S. by 1980), racism, pornography, sexual promiscuity, and other forms of immorality are but the fruits of the wrong and sinful attitudes of the heart. The writer of Proverbs (4:23) says "Keep thy heart with all diligence; for out of it are the issues of life." Jesus said, " .. out of the heart proceed evil thoughts, murders, adulteries, fornications, thefts, false witness, blasphemies" (Matt. 15:19). So let us who are called Christians guard our hearts and make certain that we not only are not guilty of this kind of defiling thought and conduct, but let us be positive in our opposition to those who would curse us and our children with even greater liberalization of (already unenforced) laws, and more outlets for their evils.

Earnest prayer and unwavering support of the church's program of worship and witness are essential to a successful battle against immorality and evil, for, as one heart and life is changed by the gospel of Christ, an evil society is changed by that much.

Your Christian Life Committee urges every Baptist over fifteen years of age to write letters to members of High Point City Council, the State Legislature, and the United States Congress, in protest of city, state, and national permissiveness that has come about as a result of irresponsible men occupying responsible positions in government, and insist upon the strengthening of existing laws by strict enforcement and court reform. We must always remember, however, that Christian love cannot be legislated and give a compassionate witness to those with whom we have to do. Mr. Robbins made a motion that the following two items be added to this report:

1. That we as an Association call upon our City Council to reverse itself on the sale of beer on Sunday (so as not to allow beer to be sold on Sunday).

2. That we appeal to our (churches) Brethern in Jamestown and Greensboro to call for a vote on ABC stores so that the Christian forces in these two cities can vote our ABC stores.

Respectfully submitted,
Charles W. Stafford, Chairman

EVANGELISM REPORT

It is exciting what the Holy Spirit is doing through the ministry of evangelism in our state. Six thousand youth and adults in 425 churches have now participated in Lay Evangelism Schools or Pastor's Retreats. Forty-two associations already have confirmed dates for schools. We thank God for this tremendous response to the important emphasis of lay witnessing. This will be a continuing effort in future years. We rejoice that over 300 people of our Central Association Churches participated in our three Lay Evangelism Schools, March 6-9. Reports of successes were gratifying.

Over 2,400 pastors and lay persons attended the 26th Statewide Evangelism Conference in Fayetteville last February. Special conferences were held with practical emphasis on different phases of evangelism during the first afternoon session. Outstanding speakers challenged pastors to involve their people in the total ministry of evangelism through the church.

The Division of Evangelism in cooperation with the Department of Communications and the Division of Church Programs sponsored a Statewide Communications, Evangelism and Administration Conference in Greensboro in May. The purpose was to help pastors and others communicate the Gospel of Christ more effectively.

A new week at the North Carolina Baptist Assembly at Southport during June 12-16 was YOUTH MINISTRIES WEEK with inspiration and training in Evangelism, Vocational Guidance and Recreation. All evening sessions were centered around Bible Study and a workshop experience in learning how to witness for Christ. OVER 600 YOUTH and ADULTS were present for the week. ON FRIDAY EVENING 113 YOUTH MADE DIFFERENT KINDS OF PUBLIC DECISIONS. Next June we will have another Youth Ministries Week.

Almost 14,000 youth, pastors and adult leaders attended the 2nd Statewide Youth Evangelism Night on August 18 at the Greensboro Coliseum. A large number of young people responded to the invitation by Arthur Blessitt. It is evident that God is working through Christian youth today to share His Gospel in a thrilling, significant manner.

Let us rejoice in the excellent reports of revival meetings, city-wide evangelistic crusades and associational evangelism clincis during the past year. It is our hope and prayer that we shall continue to have a strong increase in baptisms this coming year that many more persons may experience Christ by genuine faith commitment.

The 27th Statewide Evangelism Conference will be February 5-7, 1973 at Ovens Auditorium, Charlotte.

Remember to pray earnestly for the leadership of the Holy Spirit in the total ministry of evangelism in North Carolina, our nation and our world.

Respectfully submitted,
Vincent G. Wall, Chairman

WOMAN'S MISSIONARY UNION REPORT

As we survey the scene of WMU work in the churches of Central Baptist Association, we see many things. Some are encouraging, while others are much less so. Only 26 of our churches report any WMU work, and 20 of these made mid-year reports to the Associational WMU Director. These reports indicated, among other things,

that we are presently reaching some 1,680 preschoolers, girls, and women in vital learning, supporting, and action missions programs. They also indicated that we are weak in many areas that need to be changed for the better. For there is still much to be attempted and achieved through the channel of WMU in our churches.

The Associational WMU Council faced many challenges when we took office. With the beginning of our term, it was determined that improved communications and improved meetings were two of the major needs. We attempted to work toward these goals during the year. Of the meetings held throughout the year, two are representative. First, our observance of the worldwide Baptist Women's Day of Prayer. Cooperating with Negro Baptist women of our city, we met at the Baptist Center with about fifty women in attendance. The spirit of fellowship and spontaneous joining of hands during the closing hymn were highlights. Second, our Annual Session which was held in April of 1972. Conducting of business, inspiration, and fellowship were the main results of this gathering of WMU women and girls. The meeting was memorable because of our speakers, Mrs. Joan Furr and the Bill Mitchiners; and because of our special music which was presented by the Youth Choir of Oak View Baptist Church and a soloist from the hosting church, Green Street.

But a realistic survey looks more than backward. It looks around and forward. We must "begin right where we are" to strengthen existing work, then move out to Enlist and Enlarge, and to Engage in Witnessing through Mission Action. Yes, we must continue to expect ... in faith, and to attempt ... in His name and for His sake.

Respectfully submitted,
Mrs. Donald Davis
W.M.U. Director

(Ed. Note - Less than 1,000 adult women were involved in any WMU Organization during 1970-71. There are close to 7,000 women in our churches 18-up. Ladies why miss a blessing----GET INVOLVED IN YOUR WMU!)

MISSIONS COMMITTEE REPORT

The Missions Committee met throughout the Associational year to discuss needs and to take care of particular items of business. Although we had no intention of resting on our past accomplishments, and even though the opportunities to minister remain overwhelming, we felt we should wait until the Association responded sufficiently to the Baptist Center and Samaritan Inn before we embarked upon another challenge.

We come to the session of our Annual Meeting with hope that the work of our Association will continue to move forward under the leadership of our Superintendent of Missions and officers of the Association.

We take this opportunity to express to each member and friend of Central Baptist Association our deepest appreciation for the fine support given to the work of our Association. We also wish to express our appreciation to Brother Floyd Rhyne and to Mrs. Margaret Angel for their labor among us. To those who labored in love at the Baptist Center .... we also say "Thanks".

I, personally, would like to express my appreciation for being allowed to serve Central Baptist Association and ask that we all support Brother J.R. Newton and the Missions Committee in the year ahead.

The following is a statistical report on the Superintendent of Missions:

Local Church Visits	121
Sermons Preached	148
Individual Conferences	703

Group Conferences	131
Committee Meetings	83
Board Meetings	7
Denominational Meetings	14
Miles Traveled	19,103

Respectfully submitted,
Raymond H. White

SUNDAY SCHOOL REPORT

Many of our churches are reporting gains in their Sunday School enrollment and in average attendance. There seems to be a renewed interest in the Sunday School work in our Association.

Rev. Paul Gibson and his workers did a fine job in preparing our Vacation Bible School workers for their most important tasks. He reports that 23 churches held Bible Schools.

As we look forward to a new year of Sunday School work in our Association, we want you to be aware of the fine group of Associational Sunday School Workers that are available to assist you at any time:

Adult Director - Mr. Clyde Hall
Youth Director -
Children Director - Miss Alma Bumgarner
Preschool Director - Mrs. Edith Cecil
V.B.S. Director - Rev. F. Paul Gibson

On March 13, 1973, we will have a one-night Sunday School Revival. Please put forth your best effort in promoting attendance for this meeting.

Respectfully submitted,
L.L. Ferguson
Sunday School Director

CHURCH TRAINING REPORT

Last year 17 of the 33 Churches and Missions of Central Association reported having a Church Training program. Total enrollment was down 2,036 to 1,942 (1970 and 1971 figures). A part of a Church's failure to report a Training Program may be due to the fact that they do not realize that short-term training courses for leaders or members, and orientation classes for new members, regardless of when they are conducted should be reported as a part of the Church Training enrollment at the end of the year. We would encourage every Church, therefore, to elect a Church Training Director whether there is a continuing Sunday night program or not. However, we would encourage every church to have a Sunday night program, if possible. The suggested slogan is: "CHURCH ... the Sunday Night Place!"

During the past year, our annual "M" Night was held at the Green Street Baptist Church with 409 attending from 21 churches. Dr. Richard Henderson, missionary to Ghana and the Phillippines, brought an inspiring message. Pilot View won the banner for highest attendance with 104 present; and Garrell Street for the highest percentage of members present, their entire enrollment of 67.

Age-group conferences were held on January 25 at the First Baptist Church, Archdale. Churches were encouraged to send their leaders to our summer assemblies for

further training. The Church Training Director of the Association attended a week at Ridgecrest in July.

"Train to Share His Word" will be the theme for "M" Night this year at Reavis Memorial Baptist Church on Monday, December 4, 1972, 7:30 p.m. Rev. Nane Starnes of Asheville, who has just returned from a year of preaching in Japan, will be the keynote speaker. December 4 will be the first day of the Week of Prayer for Foreign Missions. Every church is encouraged to participate in this emphasis on Japan.

Age-group conferences are again scheduled for 1973, on Monday, January 22. Attention will be given to the use of materials available in Church Training. Every Church is encouraged to order the Resource Packet entitled "Upgrade" available from the Baptist Book Store. This is one way to upgrade your entire Church Training Program.

The following leaders have been enlisted to serve during the coming year:
Director - Elliot B. Stewart, Trinity
Advisor - John Reavis, High Point, First
Music Leader - Hal Shoemaker, Emerywood
Director of Church
Leader Training - Mel Anderson, Green Street
Director of New Member
Orientation - Bill Underwood, High Point, First
Adult Leader - L.B. Weaver, Green Street
Youth Leader -
Older Children (9-11) - Mrs. Homer Smith, High Point, First
Younger Children (6-8) - Mrs. H.J. Hodgin, High Point, First
Preschool Children - Miss Barbara Shaw, Hillcrest
To make a difference .... TRAIN! It's the Christlike thing to do!

Elliot Stewart

COOPERATIVE PROGRAM REPORT

The Cooperative Program is a part of the tithes and your offerings given your church. Thus, your dedicated life with a part of your day-to-day labor goes toward witnessing to a lost world.

The Cooperative Program is sharing your love of God through 6,000 state, home and foreign missionaries. Last year they were instrumental in bringing more than 66,000 people to Christ who in turn followed Him into the waters of baptism.

The Cooperative Program is busy training capable leaders by helping students with scholarships in more than 800 Baptist schools with more than 100,000 pupils around the world.

The Cooperative Program is ministering to the needs of the sick through 21 Baptist hospitals and 105 clinics in many nations. You helped more than 1,000,000 patients last year who could not pay the cost of their care. The Cooperative Program aids in bringing shelter, food, clothing and other necessities of life to 8,000 homeless children plus more than 2,000 elderly people through Children's Homes and Homes for the Aging throughout the world.

Last year 1,020 Baptist churches in North Carolina increased Cooperative Program giving by 10 per cent or more over what they contributed the previous year. Did the church where you serve increase this much?

Will you do two things?

1. Will you lead the church where you serve to make a worthy increase in Co-

operative Program giving?

2. Will you pray for your missionaries and other Cooperative Program causes each day?

Tom Greene

STATE MISSIONS REPORT

The churches are on mission to people under the Lordship of Christ - Matthew 28: 19-20; Acts 1:8. Churches in a cooperative plan express their mission beyond the local congregation. State Missions is interrelated by planning and financing with associations, the State Convention, Home and Foreign Missions Boards. There is a ministry of State Missions expressed within the local church in Evangelism, Church Programs, and Stewardship Promotion. State Missions is Christian Social Service expressed through institutions. State Missions is churches expressing a positive interest in Christian Education.

State Missions is a multiplicity of special ministries too big for any one local church. These ministries to areas of need may be altogether supported by State Missions budgeting, or a cooperative budgeting arrangement of the local church, the association, the State Convention, and the Home Mission Board. Such specialized ministries include work at Cherokee and Pembroke, promotion and coordination of World Mission Conferences, support of part-time Chaplaincies in several correctional institutions, assistance in witnessing to and enlisting for service Orientals and Spanish speaking peoples. A specialized ministry to the deaf includes evangelizing, teaching and counselling the deaf.

Also included is a cooperative plan for Seminary extension and a rapidly growing Resort Ministry. Fruitland Baptist Institute is an area of State Missions. Our cities need Baptist Centers and other expressions of Christian social and evangelistic concern. State Missions promotes and supports a vigorous ministry in the inner city. State Missions continues a specialized ministry with other races.

State Missions serves the pastor and local church. New churches are encouraged by loans and grants of lot aid. Needy churches are given financial aid until they can become self-supporting. Pastors are directly helped through Annuity supplements.

State Missions is a cooperative ministry by the churches to people who need God and other churches that need help.

BAPTIST CENTER REPORT

There has been a lot of action at the Baptist Center this year. The Center is a real blessing to the staff of the Association. Those who are paid staff members, either part or full time, have used it all year.

The building was used by the 122 people that make up the Committees of the Association. Thirty-three departmental workers have met occasionally. Three state-wide meetings were guests of the Center.

The guest rooms were used many times for a night's lodging and often-times for an entire week. Food from our pantry was shared with many families. We were able also (through designated gifts) to buy meat, milk, butter, eggs, etc., to go with our

staple foods. Through these gifts, we were also able to provide heat, gas bills have been paid, phone service provided, etc. From our clothing rooms we were able to furnish clothes for 89 children and 47 adults.

In our sewing classes, we have had 82 pupils and 15 instructors involved. Many children last year received special training in our Tutoring Program. The writer has counseled with many families----some of which were referred by different social agencies of our city. Many of these families are reunited and seem to be doing well.

Will you please remember the work in your prayers each day.

Respectfully submitted,
Floyd H. Rhyne

HOMES FOR THE AGING REPORT

In our Baptist Homes for the Aging, we feel that there is no relationship more important and more blessed than the one that we have with our Baptist people in our Baptist Associations throughout the State. It is a special joy to visit personally the Associations and to have fellowship with the good people who mean so much to us in our ministry and to express to them our special thanksgiving. It is with a deep sense of gratitude to the Lord and to you that we bring this report on our Baptist Homes for 1972.

This has been the best year that we have ever had in our twenty-one years. The Special Offering for the Homes and support through the Cooperative Program reflect an encouraging increase. Through these vital sources, the Homes during the past year derived almost 30% of the total operating budget in the care of the residents and patients, with 20% coming from the offering, and 10% through the Cooperative Program. The most significant fact about this support from our Baptist people is that the majority of the residents in the Homes are persons with real financial needs, and these love gifts are used for their care. In fact, these gifts are a lifeline to the residents, and they could not be maintained without them. The greatest challenge to our Baptist people is to continue to increase the Special Offering from year to year, and thus keep pace with the needs of the residents who depend so greatly on it.

Our Baptist Homes now operate five resident Homes, with two located in Winston-Salem, and one each in Albemarle, Hamilton and Yanceyville. These Homes have a capacity for 162 residents. In addition, there is a Nursing Care Unit, located in Winston-Salem, with a capacity for 63 patients. In these Homes we specialize in tender loving care and do not know of any place this side of Heaven, and outside of one's home, where a person can receive more compassionate Christian care.

Of great significance during the past year, in May, was the dedication of the York Wing of the Nursing Care Unit. This wing, accomodating 18 additional patients, was completed in November of 1971 and named in honor of Judge and Mrs. William York of Greensboro. He and Mrs. York gave $80,000.00 for the construction of this new Wing, and the additional money needed was raised by the Trustees of the Homes. With this new addition, the Baptist Homes have been able to receive some few persons, on a limited basis only, directly as patients. The majority of the beds in the Nursing Care Unit are used for the residents of the five Homes, when nursing care becomes necessary. We are glad that the base of our operation has been broadened to include a ministry to the aging sick person, and we can only hope that we will move forward and be able to receive more patients in the years ahead.

Ministry to an older person is a direct ministry to Christ and is one of the finest things that North Carolina Baptists are doing. Be glad that you are a Baptist, and be grateful for the part that you are having in making the life of an aging person more abundant and more secure.

Respectfully submitted,
W.H. Barker

BAPTIST FOUNDATION REPORT

The North Carolina Baptist Foundation, Inc., is a charitable corporation. It was chartered on November 24, 1920, under the laws of the State of North Carolina. As a charitable corporation, it and its donors presently have certain tax savings.

It was created by the Convention for the purpose of procuring endowment funds and for administering such funds, for all institutions and agencies owned and controlled by the Convention. It is independent of the causes it serves, but committed to their best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all of our Baptist work.

Any property owner who wishes to do so - Baptist or non-Baptist, resident or non-resident, man or woman, young or old, can use the Baptist Foundation through cash, securities (stocks, bonds, notes, mortgages); real property (farms, woodland, houses, lots); and any and every other kind of property, real or personal. These gifts can be in the form of a living trust, gift annuity, or by bequests in wills.

The Baptist Foundation stands ready at all times to aid individuals in making

adequate preparation to use of the foregoing methods in providing for any agency or institution fostered by the Baptist State Convention of North Carolina, or any of the Southern Baptist Convention agencies or institutions.

When one uses the Baptist Foundation, one is EXTENDING HIS STEWARDSHIP IN PERPETUITY. This can and does bring a great deal of satisfaction and joy to the person who uses the Foundation for this purpose.

If you have any further questions or need a representative to visit you, you may contact the North Carolina Baptist Foundation, Inc., P.O. Box 26508, Raleigh, North Carolina 27611.

Gordon Maddrey

BAPTIST CHILDREN'S HOMES REPORT

For the past eighty-seven years, North Carolina Baptists and their Children's Homes have cooperated in a program of Christian child care. This relationship has been characterized, on the part of the agency, by a sensitivity to real needs and a commitment to the best in child care. On the part of North Carolina Baptists, there has been a lasting commitment to child care expressed in generous and enthusiastic support of the agency's ministry.

This annual report finds the agency vigorously pursuing its basic purposes. Changing patterns of family life and the involvement of government in social ministries profoundly affect the number of children needing our care and the types of care needed. More and more we are being asked to serve children with special needs beyond neglect and dependency: emotional alienation from family; trouble with the court; borderline retardation; emotional disturbance which requires professional treatment. The urgency of the present and the challenge of the future is to find effective patterns of care for these children.

The Baptist Children's Home will not be content to provide minimal care only. We are committed to quality care which serves the whole person, providing the experiences and relationships which can enable the child to develop his full potential. Quality care costs. It makes heavy demands on the individual staff member in his involvement with the child. It requires more staff members for the number of children served. It necessitates the purchase of supplementary professional services, such as medical and psychological specialists. But the cost is really an investment in the future of the children served, and we believe it is the best investment of life and money we can make.

The Children's Homes continues to expand and improve its services to children and their families. Two new cottages are under construction at Broyhill Home. The Ten Star Builders' Program is enlisting the support of Eastern North Carolina for Christian child care in that section of the state. Childs Home is engaged in a year-long study to determine how we can best serve the children in the Piedmont Area. Across the state, renewed effort is being given to the enlistment of foster families. Expanded services to families are being initiated.

We believe this ministry of child care deserves the confidence and support of North Carolina Baptists. Our Baptist friends have demonstrated through their interest and support that they believe in what we are doing. The Cooperative Program continues to be the life blood of our financial support. The 1971 Thangsgiving Offering channeled $400,000 into our ministry of child care. Special gifts and bequests from individuals continue to provide for capital improvements. We deeply appreciate this generous support, and we pledge ourselves to continue this ministry of child care in the name of Christ and on behalf of North Carolina Baptists.

Mrs. C.G. LaMar
Children's Home Representative

YOUTH AND FAMILY SERVICES REPORT

Our work this year has been full and hard, but very rewarding. We have touched the lives of a great number of young people in many ways and have tried to orient all of them to Christ. We do not know how successful we are at the moment, but are thankful for the opportunity to serve Christ in this position.

Records are valuable but can only give us a partial picture of what really happens in God's work. We share with you the figures compiled this associational year and hope that more of you will be in the picture this coming year as Sponsors.

Referrals from the courts	10
Sponsors assigned	6
Furnished groceries for family	1
Counseling with parents and referrals	8

Training Session for Sponsors	1
Number of sponsors trained	2

The Director attended:

State Staff Meetings	1
Regional Staff Meetings	2
Seminar in Louisville for Home Mission Board	1
Volunteer Workshop in Greensboro	1
Court 1/2 day per week when Court meets	

Each year the Association sponsors a week-end camp at CaRAway for youth selected by the Chief Counselor of our local Juvenile Court Division. This year 13 boys and 7 counselors spent from Friday afternoon until Sunday afternoon at CaRAway. From rest time to Sunday School time, every hour was planned to get the most out of camp for each boy. The counselors, volunteers from our churches, had a great time and contributed the week-end to guiding the boys. A group of young people and adults from First Church, Jamestown, furnished a hot dog supper on Saturday and shared in a campfire service in the evening. An opportunity for testimonies of what Jesus has done for them was shared by several of the group who came in. Twelve (12) of the thirteen (13) boys made a profession of faith in Christ----several counselors made a new commitment and your Director praised God.

Our program is small in numbers reached, but great in scope. We are fortunate to have a dedicated Christian man, Aubrey Strother, in the strategic position as Chief Counselor to work with. Without him, our work in the Association would have a completely different picture.

At the moment, we do have a number of new sponsors and plan to have a training session for them right away. This coming year looks bright already. We do need new sponsors to help broaden our base of work. Will you be a Sponsor?

BIBLICAL RECORDER REPORT

The BIBLICAL RECORDER is nearing the 100,000 mark in circulation----thanks to churches and individuals all over the state who have helped to bring this about. Once this goal is reached, new ones will be set as part of a continuing effort to put the RECORDER in every Baptist home in North Carolina.

Not only in circulation progress, but in other ways has been a good year for the RECORDER. During the year, Woodrow W. Hill, well-known pastor and writer, came with the RECORDER as field representative. He will be speaking in associations, churches, pastors' conferences and in other meetings all over the state. Thus he will join the editor and associate editor in seeking to carry the RECORDER message to every corner of North Carolina.

This was also the year that the Recorder went to computer. Because of the growing circulation, this had to be done.

As it has in the past, the RECORDER seeks to keep North Carolina Baptists informed on important issues. This is a heavy responsibility and the editor and his staff feel keenly the need of your prayers as they seek to be good stewards to North Carolina Baptists. If your church does not have the RECORDER in the budget, or if it does not have a club at all, please take the leadership in seeing that this situation is corrected in the coming year. The RECORDER will be 140 years old next January 18. Those responsible for its publication each week recommit themselves to this important ministry of the printed word.

Woodrow W. Hill

The Samaritan Inn is ministering to the needs of alcoholics in the love and name of Jesus Christ. The story of the Samaritan Inn is one of success. The financial statement will speak for itself; therefore, our story will not include the financial success of the Inn. We have been successful in that we have extended a helping hand to 133 men since March 1 of this year. To these men we have given 3,529 nights of lodging and served to them 10,588 meals. We have also given to them counsel and understanding. It has all been done in the name of Jesus.

Since having a full-time Innkeeper, we have seen the length of stay continuely increase. The median number of days stayed for March was 14. This increased to 27 six months later. At the close of the Associational year, it had increased to 33 days per man. This means that men are finding the Samaritan Inn to be a place where one can remain sober and live a normal life. We presently have six men who have been with us for eight weeks or longer. These men are living sober lives as do all who stay with us at the Inn. These men are grateful to Baptists of Central Association for providing them a place where they can enjoy a better life.

The Bible is taught at the Inn on Sundays, both morning and night, Wednesdays and Thursdays. There is an AA meeting on Tuesday nights. If facilities permitted, we would like to have a program of recreation and provide space for work in crafts. Therefore, we long for the day when the dream of a new building will become a reality and all of this and more will be possible. But, until then, we shall continue to minister in the name of Jesus Christ to the needs of alcoholics who come to the Samaritan Inn.

BAPTIST HOSPITAL REPORT

The distinctiveness of Baptist Hospital's ministry lies not alone in its care for charity patients, but also in the type of service it renders to all its patients, and to many other people throughtout our state and nation and around the world.

As an academic Medical Center it is engaged in research and in education, as well as direct patient care. The ministry through research is far-reaching since new discoveries in medicine offer new hope to people everywhere. The educational ministry also extends around the world, since graduates of the Bowman Gray School of Medicine serve in 88 counties of North Carolina, in 47 states and the District of Columbia, and in 25 different countries. Alumni of the School of Pastoral Care serve in almost every state and in 39 other countries.

The quality of direct patient care provided at Baptist Hospital is distinct in at least two respects. First, it is a specialized type of medical care provided for referral patients who have rare or complicated medical problems. Because of the highly-skilled specialists in almost every area of medicine, and the elaborate equipment available for diagnosis and treatment, we are able to provide the kind of care which is available only in a large medical center. Ours is one of only 108 such medical centers in the United States.

In addition to offering this kind of medical expertise, a second distinction of our patient care is the Christian concern for the total person with all his needs. This spirit is found among physicians, nurses, aides, and other personnel throughout the Center. The Department of Pastoral Care seeks to minister specifically to the spiritual and emotional needs of patients and their families.

Baptist Hospital does continue to serve patients who cannot pay for their hospital care. Even with the tightening of admission policies and procedures, only one person in twelve months--i.e., one in approximately 17,000 applications for admissions--was not helped. In 1971, charitable allowances amounting to $1,370,000 were issued to patients unable to pay in full. The Mother's Day Offering of $371,000 helped make this charity work possible.

The hospital takes pride in its record of charitable work, but would like to help our Baptist people to understand that there are other aspects of its work also which justify its existence as an institution of our Convention and make it worthy of the support of our churches.

The operating deficit has been eliminated and the hospital is now operating "in the black."

The new patient tower is being completed and some departments have already moved into the lower levels. Complete occupation should take place by January, 1973. One additional unit, a two story unit housing the emergency room and out-patient clinic, is scheduled to be completed by 1973. This will conclude the present development program.

"A Medical Center ministering with skill and understanding" is not just a letterhead slogan; it is a goal which Baptist Hospital seriously strives to attain.

Respectfully submitted,
William Bishop
Hospital Representative

RESOLUTIONS COMMITTEE REPORT

The Resolutions Committee recommends that:

1. We express our gratitude to the Oak View Baptist Church, Rev. Kenneth Miller, pastor, and the First Baptist Church, Archdale, Rev. J.C. Alley, pastor, for their fine hospitality, delicious meals and warm welcome shown us by them and their families.

2. We express appreciation to our Moderator, Mr. Charles E. Neill, Jr.; Vice-Moderator, Rev. Beldon D. Smith for the manner in which they have carried on the work of our Association this past year.

3. We express our appreciation to Floyd H. Rhyne, Superintendent of Missions, Mrs. Rhyne and the Staff at the Baptist Center for their labor that made this another great year for the Association.

4. We express our thanks to the Program Committee for this helpful and inspiring program of the Fourteenth Annual Session of the Association.

5. We are especially grateful to the following committees: Christian Life Committee, Finance Committee, Missions Committee, Evangelism Committee and Nominating Committee for their splendid work.

6. We owe a debt of gratitude to Rev. Bob Canipe for his work with juvenile delinquents.

7. We express words of appreciation to the various news medias in High Point for time, space and consideration given to the churches of our Association.

8. We rededicate our lives anew today that we may become the instruments of God to evangelize and disciple our world for Christ.

9. Whereas, our Association has expanded its ministry through the Baptist Center and the Samaritan Inn. Be it resolved that all of our churches be encouraged to participate in more active way:

   A. BAPTIST CENTER - Each church be responsible for providing workers for the different projects, the Baptist Center engages in, and these workers also be assigned perhaps on a monthly basis.

   B. SAMARITAN INN - Each church to be responsible for the spiritual ministry at the Samaritan Inn on a monthly basis. This would include maintaining the Sunday School hour, the Church Training Hour, Prayer Meeting and Bible Study. This would stimulate a greater interest among the churches of the Association in the work as well as provide a spiritual GROWTH for the men leading in this effort.

Respectfully submitted,
Paul S. Odum
Chairman

In the beginning God created the heaven and the earth.

Annual Sermon: E. B. Stewart

WE HONOR OUR SUPERINTENDENT AND FAMILY

These minutes of the Fifteenth Annual Meeting of the Central Baptist Association are gratefully dedicated to our first and only Superintendent of Missions. Brother Floyd H. Rhyne and his devoted wife, Grace N. Rhyne.

Coming to our association soon after it was formed, Brother Rhyne guided us through the struggling days of infancy and has led us to become a mature and respected Southern Baptist Association, ministering boldly in the name of Jesus.

Mr. Rhyne was born in Greenback, Tennessee, on August 15, 1913. He attended Indiana Central College in Indianapolis, Indiana, and did special studies at Southwestern Baptist Theological Seminary, and at Southern Baptist Theological Seminary.

Before moving to High Point in 1961, he served as Superintendent of Missions in New Lebanon Association, Lebanon, Virginia. He formerly served in a similar capacity in Holston Valley Association, Rogersville. He also served as pastor of churches in Clinton, Johnson City, and Powell, Tennessee.

The Rhynes have two children, Sandra Carol and Norman. Sandra is the wife of Rev. Ned Lee Duncan, Pastor of Jackson Park Baptist Church, Kannapolis, N. C. The Duncans are foreign missions volunteers and expect to be appointed in December. Norman is with the city school system, presently serving on the faculty of Northeast Junior High School.

Because of substantial loss of his vision, Brother Rhyne resigned his ministry with us on September 30, 1973. Although he will no longer be on our official staff, he will still be very much a part of our work and ministry. The Rhynes will always be dear in the hearts and lives of our association.

We are grateful for the ministry of this dedicated man of God and pray God's richest blessings to continue to abide upon him and his dear family. Surely as the Lord looks from heaven today, he says of Floyd Rhyne, "Well done, good and faithful servant".

Constitution

OF THE CENTRAL BAPTIST ASSOCIATION

OF NORTH CAROLINA

Revised October 18, 1971

PREAMBLE

For the declaration of its fundamental purposes and the permanent guidance and control of its activities, the body does adopt the following as its constitution, subject to amendment:

ARTICLE I—Name

The name of this body is the Central Baptist Association.

ARTICLE II—Purpose and Objective

The purpose of this Association shall be to assist in the cooperation of Missionary Baptist Churches in the area of High Point, North Carolina. The Association shall promote fellowship, evangelism, church organizations, church building, missions and Christian education in the area of the Association; and at the same time cooperate with other associations, the Baptist State Convention of North Carolina, and the Southern Baptist Convention in all work of Southern Baptists.

ARTICLE III—Membership

The Association shall consist of messengers who are members of the affiliated churches as follows:

(1) Each church affiliated with this Association shall be entitled to four messengers, and every church having one hundred members shall be entitled to six messengers, and one additional messenger for every fifty thereafter, provided that number does not exceed ten:

(2) Pastors of the affiliated churches and their missions;

(3) Duly elected officers of the Association.

ARTICLE IV—Affiliated Churches

Section 1. The Churches affiliated with this Association shall be churches who use the New Testament as a statement of their faith and church polity, and require that a person upon his profession of faith in Jesus Christ as Saviour and Lord be immersed in water to qualify for church membership.

Section 2. Baptist churches shall be received into the fellowship only after having been under the watchcare of the Association for one full year. Application for membership shall be made through the Credentials Committee. The Executive Committee shall have authority to receive any church under watchcare upon recommendation of the Credentials Committee. Churches under watchcare of the Association shall make written monthly reports on forms provided by the Associational Clerk.

Section 3. Baptist churches affiliated with and in fellowship with other Baptist Associations may become affiliated with the Association without coming under the watchcare; upon the recommendation of the Credentials Committee, and approval of the Executive Committee or Association.

Section 4. The Association shall be clothed only with the authority to advise the churches touching all things pertaining to their interest but shall in no case presume to direct or control them in reference to their government or internal policy. The Association recognizes the complete autonomy of each affiliated church. Each church shall recognize the complete antonomy of the Association.

Section 5. Whenever a church fails to be represented by letter at the annual meeting, or fails to show interest by financial support and attendance at associational meetings, or reportedly violates Section 1 of this article, the Moderator shall ask the Credentials Committee to confer with the church. If a satisfactory reason is not given, and there is no evidence of effort to keep alive their association with cooperating churches, the Credentials Committee shall bring its findings to the Association. The Association, by majority vote of its messengers casting ballot, may then withdraw its fellowship. The Association recognizes that any affiliated church has the right to withdraw its fellowship from the Association.

ARTICLE V—Officers

Section 1. The Officers of this body shall be Moderator, Vice-Moderator, Clerk, Treasurer, Trustees, Sunday School Director, Church Training Director, Music Director, Woman's Missionary Union Director, Brotherhood Director, and Superintendent of Missions.

Section 2. Election of Officers

All officers shall be nominated and elected as set forth in ARTICLE VI, Section 2, (2). This shall not preclude nominations from the floor.

SAMARITAN INN REPORT

Some two years ago, Central Baptist Association felt led to move into a ministry for the rehabilitation of alcoholics through a Christian witness. A board of directors, consisting of fifteen men, was elected to serve. The direction of the ministry was to assume the operation of what was known as New Life Homes on Steele Street, High Point, N.C. This operation was some three thousand five hundred dollars ($3,500.00) in debt and almost ready to declare bankruptcy.

Under the prayerful study and direction of the directors for these two years, all overdue and delinquent bills were paid in full. A new name and a new charter were secured with the ministry to be called "Samaritan Inn, Incorporated". The organization was incorporated as a non-profit organization, a process which took considerable work, study and time.

During this period of time the directors also became aware that the spiritual and physical ministry which is needed could not be successfully administered with the physical facilities available on Steele Street, nor with the lack of trained personnel to give proper leadership.

In January 1973 the Innkeeper resigned, the current operation on Steele Street was closed and the lease on the buildings terminated. All assets were converted to cash and placed in a savings account at Central Savings and Loan Company. As of October 1, 1973, there is a balance of five thousand seven hundred seventy-seven dollars and seven cents ($5,777.07) in the savings account. This account is designated as a Building Fund for Samaritan Inn, Inc.

Previously, the board of directors had voted to secure an architect and develop plans for building a plant in Randolph County that would be arranged and equipped to administer an effective program for the rehabilitation of alcoholics. The plans and detailed specifications for the building are now in the hands of our association.

It was and is the unanimous feeling of the board of directors that no program, building or otherwise, can be administered without proper personnel. Therefore, the directors approached the Associational Executive Committee in January 1973 with the recommendation that all building plans and other programs be suspended until such time that qualified personnel is available for such leadership. The recommendation, which was accepted by the Executive Committee, read as follows: "that the Central Baptist Association Executive Committee employ an Executive Director for Samaritan Inn, Inc. at a total yearly compensation of $12,000. and that he be responsible for (1) Raising and soliciting of money; (2) developing the physical facilities; and (3) developing a program of rehabilitation and ministry. All of this is to be done under the supervision and approval of the Superintendent of Missions and the Central Baptist Association."

Since this action the board of directors has explored with available resources, including the Southern Baptist Convention, the possible guidelines for and applicants for the Executive Directorship.

The board of directors come to our annual associational meeting with a request that we be assured by vote of the association in its annual meeting to pursue the decision of the Executive Committee last January and to move ahead in the securing of a qualified Executive Director to establish the program and facilities to carry out the ministry of Samaritan Inn.

William Shelton

YOUTH AND FAMILY SERVICES REPORT

The Youth and Family Services Committee of six members and a salaried part-time director work together in our Association's ministry to troubled youth and their families. The director, R. G. Canipe, attends juvenile court one day each week and receives as referrals youngsters who in the judgment of the court could benefit from our sponsorship. He then assigns these young people to a sponsor, an individual who has shown concern in this ministry by volunteering to work on a person-to-person basis with troubled youth. Sponsors attend training sessions during the year with the committee, director, and other involved personnel such as juvenile court judge and probation officers.

There is a continuing need for more men and women to serve as sponsors. These people need not be professionals or experts on youth and their problems. Most youth respond readily to the sponsor simply because he cares—enough to listen; to offer friendship, guidance and encouragement; to put professed Christianity on a one-to-one basis.

Although individual case histories would give a truer picture of the work, its problems and rewards, these statistics are available for 1972-73:

Referrals from court	18
Sponsors assigned	14
No sponsors to assign	4
Sponsor training sessions	2
Sponsor sharing sessions	1
Weekend camp held at Caraway, attended by six boys, the director, committee chairman, and a counselor	

Mr. Canipe also reports his participation in two regional staff meetings, 2 World Missions

Conferences; a Metropolitan Missions Conference, a Christian Social Ministries Seminar, workshops, and the South Carolina R. A. Camp.

Respectfully submitted,
Bob Cecil
Chairman

CHRISTIAN LIFE COMMITTEE REPORT

A large segment of our society, including members of our churches, have adopted the mistaken attitude that "if you are an artist or rich, you can ignore the moral law." This is a tragic mistake. To believe that the moral law is for the common man and that some are above the law is contrary to the principles and the teachings of Jesus.

During the Christmas and New Year Season last year your Christian Life Committee ran a number of spots on the three local radio stations and ads in the High Point Enterprise. The content of these ads suggested that the holiday season be kept holy and free from alcoholic beverage.

The permissiveness of our society is evident by many demoralizing practices that a few years ago would not have been allowed under any circumstance. Pornography continues to flourish on many news stands, some movie theaters, and even questionable programs are now getting prime time on television. Some of the language used on radio, television, and in newspapers and magazines is often profane. Programs on radio and television, especially television, too often condone and even suggest a conduct which is lower than accepted community standards and certainly contrary to the teachings of the Bible. Recent surveys by TV Guide indicate a nationwide concern at this point. There are, however, encouraging signs. Recent court rulings have made it possible for local governing bodies to adopt strong ordinances in this area. Recently the City Council of neighboring Archdale adopted an ordinance prohibiting the showing of X-rated movies.

In light of the foregoing realities your Christian Life Committee recommends:

1. That we send a letter of commendation to the Archdale City Council.
2. That we send a letter to radio stations WHPE, WMFR, and WNOS, television station WGHP-TV, and the High Point Enterprise respectfully requesting that they use Christian discretion in disseminating news and programs.
3. That we commend radio station WHPE for not advertising beer.
4. That we commend the High Point Enterprise for not accepting paid advertising for liquor and beer; however, we are very disappointed in the editorial position supporting liquor-by-the drink and the constant reviving of the ABC Store issue.
5. That we ask the news media to reject all advertising of X-rated movies.
6. That we request the High Point City Council to adopt an ordinance prohibiting the showing of X-rated movies in High Point and the sale of beer on Sunday since they have these legislative powers.
7. That we express profound disappointment in the action of the Board of Directors of the High Point Chamber of Commerce encouraging passage of the liquor-by-the-drink proposal.

Of particular interest and deep concern to your committee at the moment is the upcoming statewide liquor-by-the-drink vote on November 6. No single product contributes more to the moral degradation and the overall hurt to mankind than alcoholic beverage. Therefore, your Christian Life Committee offers the following resolution for your approval and adoption tonight:

WHEREAS, the citizens of North Carolina will vote on a liquor-by-the-drink referendum on November 6, and

WHEREAS, the passage of the referendum would immediately and drastically increase the number of outlets, resulting in increased consumption, and

WHEREAS, such a change would, according to past history, increase the number of alcoholics, crime, broken homes, absenteeism in industry, and other problems related to alcoholic beverage, thereby increasing the burdens of the taxpayer for added expense in law enforcement, welfare support and rehabilitation, and

WHEREAS, the referendum would bring about a change in the system of control by permitting the element of private profit which sometimes leads to corruption and other vices, and

WHEREAS, a Presidential Commission on Marijuana reported alcohol to be the number one addictive drug in our nation, and the drug problem is increasing at an alarming rate, especially among our youth, and

WHEREAS, the historical position of Christianity has been opposed to such legislation, and

WHEREAS, the citizens of High Point have consistently opposed liberalizing laws to permit more outlets for the sale and use of alcoholic beverages,

THEREFORE, BE IT RESOLVED by the Central Baptist Association that:

1. We appeal to our church leaders to call upon the citizens of all denominations, especially fellow church members, to vote AGAINST the proposal on November 6.
2. We call upon the churches to give financial support to the Citizens for Christian Action and the Christian Action League of North Carolina to help finance a campaign to get the people out to vote.
3. We ask all churches to remain open on Monday night and Tuesday, November 5 & 6, urging members to come for a period of prayer and meditation.
4. That we express gratitude to all who have worked so faithfully.

EVANGELISM COMMITTEE REPORT

"Sharing Christ Now" was the theme of the 27th Statewide Evangelism Conference at Owens Auditorium, Charlotte, February 5-7, 1973. Over 2400 pastors and lay persons were challenged by outstanding speakers to lead their people to become more involved in evangelism. The closing session on Wednesday, February 7, was held at Pritchard Memorial Church, with an emphasis on prayer and personal renewal.

It is thrilling what the Holy Spirit is doing through the ministry of our first summer youth evangelism team. Three college students—Steve Stout, Cooleemee; Terry Crouse, Lenoir; and Christy Farrior, Williamston—are leading in music, preaching in youth revivals, and directing youth witness training sessions in churches from Marshall to Washington.

During June 11-15 over 730 youth and adults were present for the Youth Ministries Week at the North Carolina Baptist Assembly, with the emphasis on Evangelism, Vocational Guidance, and Recreation. Eighty-one youth made various decisions, including sixteen professions of faith.

Over 12,500 youth, pastors, and adult leaders attended the 3rd Statewide Youth Evangelism Night at Greensboro Coliseum August 17th. It is exciting how God is using the witness of thousands of Christian youth across our state in a tremendous manner. There were 285 decisions recorded, including 48 professions of faith.

The response of youth and adults to Lay Evangelism Schools in the past twenty months has been outstanding, in that 9,564 youth and adults have participated in this lay witness training from 720 churches and 34 associations. Also, 107 pastors from nine associations shared in a Pastor's Retreat to learn how to lead their churches in Lay Evangelism Schools.

The Division of Evangelism in cooperation with the Department of City and Metropolitan Missions sponsored a Metropolitan Missions and Evangelism Seminar on October 1-2 at Southeastern Baptist Theological Seminary at Wake Forest with the theme "Reaching the Cities for Christ."

The 28th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 4-6, 1974.

Let us thank God for the excellent reports of revival meetings, citywide crusades, and evangelism clinics. Remember to pray for the TOGETHER WE ADVANCE emphasis that we may strive to attain a 10% increase in baptisms, Cooperative Program gifts, Bible study enrolment and Associational Missions gifts.

In our Central Association the thrust of evangelism has continued through church revivals, Vacation Bible Schools, Day camps, and in regular church services. Let us continue and increase our efforts to "Share Christ Now."

MISSIONS COMMITTEE ANNUAL REPORT

The Missions Committee met three times during the associational year to discuss the needs and take care of the items of business. Our opportunities remain overwhelming to serve in the community of our Association. However, it is the feeling of this chairman that we should have representation from each church and mission in the Association, preferably one from the Brotherhood and the WMU, to meet quarterly with the Missions Committee to discuss the needs of each church and mission in the hope that we can better minister to the entire Association. We come to this annual meeting with the sincere hope that our Association will continue to work together to better serve our Saviour and Lord under the leadership of the Superintendent of Missions and Officers of the Association.

On behalf of the Missions Committee I would like to thank our Associational Superintendent of Missions, Brother Floyd Rhyne; and to Mrs. Margaret Angel, Mrs. Bob Cecil and those who worked so faithfully at the Baptist Center on various committees, we offer our sincere appreciation.

I personally feel the real challenge before us lies within the cooperation of all our ministers and educational directors to come together with the realization that we can accomplish much more working together than we can in doing our own thing in our own individual church fields. This would include bus ministries, day care centers and kindergarten centers. These ministries could be utilized to reach out and serve all of our Association to a much greater advantage through our Missions Committee.

I ask your support in the coming year to pray for and fully support Brother Hiatt as our new Missions Committee Chairman and those who serve with him in the year ahead.

J. R. Newton, Jr., Chairman

SUNDAY SCHOOL REPORT

The Sunday School department of Central Baptist Association began its work early in the year. A group of dedicated Bible School workers attended the State Bible School Clinic at Wingate College in January. These workers were trained and equipped and returned to our Association to conduct two Bible School Clinics in our own Association. Our Bible School workers also provided the leadership for the Piedmont Baptist Association during their Bible School Clinic.

Mr. Pat Taylor was principal of our mission Vacation Bible School at the Baptist Center. This was a very fine school and our appreciation is extended to all who helped in this worthy program.

One of the highlights of our Sunday School program was our Sunday School Revival held at the Oak View Baptist Church. Rev. Charles Fuller from the First Baptist Church of Roanoke, Virginia, brought a very challenging and inspiring message. The church was almost full for this service. There was a sense of dedication and determination that gave us a needed emphasis on the place and the power of the Sunday School in the local church.

Sunday School Director

CHURCH TRAINING REPORT

The Church Training Department in Raleigh is now referred to as the "Department of Church Ministries and Training". In addition to continued New Member Orientation, Church Member Training and Church Leader Training, special emphasis is being given to the training of Church Committees, Deacons, Family Life Ministries, Baptist Youth Corps, Ministry to the Mentally Retarded, and Ministry to Senior Adults.

Last year 16 of our churches reported a Church Training Department with a combined enrolment of 1648 and average attendance of 848. This was less than reported in 1971. We would encourage each church to have a training program of some type and to report your enrolment in such a program, even though it is not held on Sunday night.

To encourage and help you in the Training Program of your church, the following leaders are available:

Director: Elliot B. Stewart, Trinity, 431-3598
Advisor: John Reavis, H. P. First, 882-8437
Music Leader: Roy Holder, Reavis Memorial, 431-8138
Church Leader Training: Mel Anderson, Green St., 883-0153
New Member Orientation: Bill Underwood, H. P. First, 885-5256

Children's Leader: Mrs. Homer Smith, H. P. First, 885-2484
Preschool Leader: Miss Barbara Shaw, 869-4855

The promotional emphasis 1973-1975 will be "Church: The Sunday Night Place". Some promotional materials are available from the Church Ministries and Training Department in Raleigh. We encourage you to order other materials when you order your church literature from Nashville.

BROTHERHOOD REPORT

The Brotherhood Program exists to assist all churches in the following programs: organizing and maintaining a witnessing Brotherhood, all phases of R. A. work, and assisting in Mission Action and Study.

On January 26, 1973 a Baptist Men's Rally was held at Oak View Baptist Church. Our thanks to Oak View for the use of their church and for refreshments served at the close of the service. Rev. Alfred Miller, Pastor, First Baptist Church, brought a very challenging message on soul-winning. At the close of the message an invitation was given for a dedication of two hours per week, under the leadership of their pastor, to witness to some lost soul. Twelve pastors and over one hundred men responded.

On August 26, 1973 our Associational R. A. Picnic was held at City Lake, and was enjoyed by many.

WOMAN'S MISSIONARY UNION REPORT

There are three directions we must look in as we view 1972-73 WMU work: backward to accomplishments and failures, around at present needs and projects, and ahead to projected goals and plans.

In looking backward, we have two ways to evaluate: reports from individual churches, and by response to meetings held and aid offered by associational WMU officers. Reports indicate that there is a small, gradual increase in some areas of WMU efforts, yet a continuing need to reach and to involve more women, girls and preschoolers in mission action and learning. Meetings that have been held received mixed response. More attended the offered Foreign Missions Study and the observance of the Baptist Women's Day of Prayer, but fewer responded to the Home Missions studies and the annual WMU meeting held in April.

This past year has brought increased response to the sincere desire of the associational WMU council to be of service to individual churches for training, speaking on behalf of WMU, and for consultation by phone or in person. The age level directors and the WMU director have had the privilege of visiting in more than a dozen of our churches. This phase of our work has been widened by the newly formed Acteens Council which has visited, with the Acteens Director, Mrs. Sandra Butler, to give demonstration meetings for groups requesting their help.

Continuing our backward look, a word about GIANT STEP is in order. This emphasis, begun in October 1972, will continue through September 1974 and is aimed at increasing three areas of WMU: membership, organizations, and subscriptions to magazines. The goals for GIANT STEP set by the associational WMU council were not met. However, with another year to work toward them, we hope to be able to meet them—with your help!

To look around at present needs and projects gives us a view of activity. October, November and December are busy months for associational WMU. For the first time in several years, we are planning a Prayer Retreat to be held October 8th with Miss Martha L. Franks, retired missionary, to lead. November will include the observance of Baptist Women's Day of Prayer and our family study of Foreign Missions. December will find WMU leading churches in observance of the Week of Prayer for Foreign Missions and giving to the Lottie Moon Christmas Offering. Present needs are for women to respond to the need for leaders to serve in yet unfilled positions, and for all who have accepted responsibilities to covenant to serve enthusiastically and consistently during the year ahead.

How exciting to know that we have yet another year to reach out to the ends of the earth as WMU emphasizes mission support through praying, giving and going (or creating an atmosphere in which people can be sensitive to the call of God to go). Much can—and must—be done through the avenue of WMU to give individuals and churches the opportunity to obey the Great Commission and to be "laborers together with God". (I Cor. 3:9)

Mrs. Donald Davis,
WMU Director

SUPERINTENDENT'S REPORT

In many respects this has been one of the better years of work in Central Association; looking from where you sit it may seem to be the worst. The latter would be true if we look at statistics and nothing else.

It has been one of the hardest for me personally. However, when I look at the spiritual gains my mind simply blots out the physical pain and anguish. For this year I have seen more people accept Christ than any year since 1949. More families have been reunited because of the ministry of our association than in any previous year.

I want to thank you for sharing your life with me these twelve years.

When I came here I did not pretend to have all the answers. When I preached, I trembled and used simple language. For I was more concerned in your knowing my Christ than knowing me. I was more interested in your loving Him—for I well knew that if you loved Him, you would love me!

So as I take leave of you I would admonish you to

"Hold high the torch!
You did not light its glow—
'Twas given you by other hands, you know.

I think it started down its pathway bright
The day the Master said: 'Let there be light.'
And He once said, who hung on Calvary's tree—
'Ye are the light of the world.
Go! Shine for me' "

BAPTIST HOSPITAL REPORT

In May of this year Baptist Hospital observed its 50th Anniversary. The hospital opened its doors in May of 1923 "to bring the healing art more definitely under the dominion of the Great Healer."

The anniversary was celebrated jointly with the dedication of the new Reynolds Tower, a 16-story patient care facility. The completion of the Tower brings the total bed capacity to 655, placing Baptist Hospital within the top ten per cent (in size) among hospitals in the United States. When the renovation of older sections of the hospital is completed the total number of beds will be 717.

Construction has begun on an ambulatory care building which will house the emergency room, several outpatient clinics, the Physical Therapy Department, and an Oncology (Cancer) Clinic and Research Laboratories. This building and the above-mentioned renovation will complete the present Medical Center Development Program.

Last November the Baptist State Convention heard the report of the Committee of 15 and adopted its recommendations. The hospital has been seeking to implement these recommendations:

1. A Medical Center Committee, composed of 8 Trustees from the Baptist Hospital Board and 8 from the Wake Forest University Board, has been appointed. This committee will consider matters involving the Medical Center and its future operation.

2. In January the hospital trustees appointed a committee of three to review appropriations from the Mother's Day fund and assist hospital personnel in making decisions on some specific requests for assistance. The hospital continues to provide care for people who cannot pay, valued at far in excess of the total Mother's Day Offering. The auditors' confirmed value of this care in 1972 was $1,390,000.—nearly four times the amount of the Mother's Day Offering—and this does not include the value of physicians' service, provided without cost to these service patients.

3. The Department of Pastoral Care is expanding its services to provide training for lay people. Dr. Mahan Siler joined the staff June 1 to head up this new work. The Department also anticipates the establishment of several satellite counseling and training centers in the state, beginning in the near future. Your Cooperative Program gifts support the work of this department.

The hospital's financial operation is "in the black", and there has not been a general room rate increase in 2-1/2 years. As of this date, the Mother's Day Offerings are running ahead of last year.

Stanley Earomirski
Hospital Representative

BAPTIST CHILDREN'S HOMES REPORT

Christian child care is a creative opportunity. The Baptist Children's Homes of North Carolina are committed to quality care which nurtures the whole person, physically, mentally, emotionally, and spiritually. It is our hope that each child in our care will have the opportunity to develop the full potential which is his by God's creation.

This has been a year of development and constructive change for the Homes. The entire agency has voluntarily met the minimum standards for child caring agencies and has been licensed by the State of North Carolina for all of our services to children and their families.

Each of the three administrative areas has realized significant growth. In the Western Area, two additional cottages have been completed and occupied at Broyhill Home and construction has begun on the administration building and the recreation building. The Maternity Home continues to operate at or near capacity in its service to unwed mothers. In the Eastern Area, a new cottage is being built at Kennedy Home and the foster care program has been enlarged.

In the Piedmont Area three developments deserve special attention. (1) Mills Home has a new administrative organization. The twenty cottages have been divided into four units of five each, and each unit will have a unit director, two social workers, and the cottage personnel. These smaller units will provide closer working relationships between staff members, between staff and children, and between staff and families. (2) Wall Home at Wallburg has been reopened to provide for a group of boys, utilizing the special skills of the houseparents in an outdoor adventure program. (3) We are negotiating with Baptists in Alamance and Mecklenburg counties for the establishment of emergency care units. These units will be joint ventures between the Homes and the local supporters, with the local group providing the buildings and the Homes operating the program of care.

Three pressing needs are laid on the hearts of Baptists who are concerned for our ministry of Child Care. (1) We need many families who will open their homes to accept foster children. Any family interested in exploring this Christian service to children should write or call the nearest office of the Baptist Children's Homes. (2) The increase in the cost of food, clothing, supplies and services makes the Cooperative Program and the Thanksgiving Offering all the more important to our continuing services. We need significant increases in both to meet rising costs. (3) Several old cottages remain which need to be replaced with new cottages better suited to present patterns of child care. The development staff welcomes the opportunity to counsel any person regarding his lasting investment in Christian child care.

Frank Dingler,
Children's Homes Representative

BAPTIST HOMES FOR THE AGING REPORT

One of the most meaningful things that you do as a Baptist is the share that you have in the ministry of your North Carolina Baptist Homes for the Aging. As you look back with us upon the twenty-two years of this ministry, and the last year in particular, there are distinctive blessings that we would like to call to your mind and heart.

In the first place, there is no greater realization that we can have together than the awareness of the fact that this special ministry to older people is a venture of faith in God. It always has been. We hope that it always will be. God has brought us from one Home to five resident Homes, with two located in Winston-Salem (Resthaven and Hayes Home), and one each in Albemarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents, and there is a Nursing Care Unit in Winston-Salem, with a capacity for 63 patients, and serving all of the Homes' residents when nursing care is needed. Four out of every five persons who come to us in our Homes for the Aging are persons whose income is very limited. They look to you, through your love gifts, for a supplement to their care, and all of us look to the Lord continually for His great love. This, therefore, is a venture of faith.

Never forget that this is your ministry, on behalf of Christ, to older persons and that they simply could not be ministered unto without your love gifts. Specifically, during the past year, through your gifts, you contributed $185. a month for the care of the majority of the residents in your five Baptist Homes. Through the Special Offering you contributed 20% of the total in-

come of the Homes, and through the Cooperative Program you gave 10% of the total budget needed. The tie that binds this ministry to the hearts of our Baptist people and our Baptist Churches is a very special one and a very distinctive one indeed.

Be glad also for the fact that your love gifts make possible quality care. It has often been said of the ministry of our Baptist Homes that there is no finer care that an older person can receive this side of Heaven than the care given in our Homes for the Aging. Everything that we do for Christ should be this way, and we are certainly trying to give Him our best day by day in our ministry to the older people in our care. There is someone serving around the clock, watching over the residents and patients even as they sleep. One of our Supervisors, or "Mothers", as they are often called was given the name of "Guardian Angel", when a resident, during an illness discovered later that the "Mother" was keeping vigil just outside her door.

God bless you for your share in this ministry to the Aging, which is both special and distinctive. Pray for us, come to see us, and continue to support this ministry as liberally and loyally in the future as you have in the past.

Respectfully submitted,
William Poole

BIBLICAL RECORDER REPORT

This has been another good year for the BIBLICAL RECORDER, thanks to your support and confidence. One of the milestones reached in the past year was passing the 100,000 mark in circulation. This occurred in May and circulation has now risen to nearly 106,000—the highest in the 140-year history of the RECORDER. This has been achieved largely because more churches are putting the RECORDER in the budget, thus saving money and also time and effort that is put forth each year to renew their subscriptions under the Club Plan of four or more.

All of these things are encouraging to those getting out the RECORDER each week. They feel their obligation to North Carolina Baptists is to get out the finest paper possible—one that is attractive and filled with interesting and helpful material. In addition, news coverage of meetings such as the Committee of 11 is needed if North Carolina Baptists are to settle this issue which has come up in the last two state conventions. Associate Editor Toby Druin has covered every meeting of this committee which is studying the baptism issue in our state. The RECORDER will carry the full report of this committee 60 days before the convention meets in Greensboro. The RECORDER's coverage of these important meetings will do much to help messengers arrive at the right decision in November. This is the Baptist way—full information which comes from freedom of the press.

As you know, the RECORDER has for years led the fight against liquor by the drink. Now the issue is up to the people in a statewide referendum on November 6. The RECORDER will continue to give you information that will help win this fight against the liquor interests and those who would profit from liquor by the drink if this passes—which we hope and pray it won't. If individual Baptists will become as concerned about this evil as the RECORDER is, a great victory for decency will be won in November.

Those of you who receive the RECORDER know what it contains each week—timely editorials, news of your fellow Baptist churches and fellow Christians, excellent photographs and covers, interesting personal columns, letters to the Editor, and many other features. It is a Baptist family journal devoted to that which is wholesome and helpful.

Those of you who don't get the RECORDER should subscribe immediately, either by putting the RECORDER in your budget for only $2.50 a year or by starting a club of four or more for only $3.00 a year. Where else can you get so much for so little?

Respectfully submitted,
Woodrow Hill, Representative

BAPTIST FOUNDATION REPORT

The North Carolina Baptist Foundation, Inc. is a charitable corporation, chartered under the laws of the State of North Carolina by the Baptist State Convention in 1920. The Foundation, as an agency of the Convention, encourages, receives, and manages gifts and bequests for benefit of all Baptist institutions, agencies, and causes fostered and supported by the North Carolina and Southern Baptist Conventions. The Foundation is not a competitive agency, but a service agency dedicated to the task of undergirding all Baptist work. It encourages the donor to use the local church as a channel for directing the income from Foundation trusts to the benefiting cause. The operating expense of the Foundation is received from the Cooperative Program of the Convention.

The Foundation Executive Secretary is available to assist churches and individuals interested in a program of perpetual stewardship, particularly as it relates to estate planning, involving gifts to Baptist institutions, agencies, and causes. The Foundation provides a means for establishing trusts to benefit these Christian causes as well as providing an opportunity for perpetual stewardship witness. Through gifts of property, cash, or securities during lifetime, donors and/or other beneficiaries can receive annuities from the Foundation during their lifetime, and can also receive certain tax benefits provided for such gifts.

Responsibilities for the administration of the Foundation is vested in a fifteen-member board of directors elected by the Baptist State Convention. The present board consists of thirteen prominent and successful business and professional men and women and two outstanding pastors, all of whom are dedicated to the best management of the sacred trust funds now placed in the Foundation. The investment policy calls for investment in quality securities with diversification, good income, and balanced growth potential.

Additions to the investment principal by donors and from property sale and rentals totaled $54,204.92 for the fiscal year 1972-73. As of June 30, 1973, the cost or inventory value of all securities, notes, and principal cash of all funds being administered by the Foundation was $801,292.26. Real estate held by the Foundation was valued at $861,167.54, making the total value of all properties administered $1,662,460.50.

During the 1972-73 year, beneficiaries of existing trusts were paid $23,934.61. A total of $129,465.69 has been paid to Baptist institutions, agencies and causes during the past six years from the income of invested Foundation funds.

For information relative to establishment of a trust fund through a gift or a bequest or for details regarding a gift annuity, life income agreements, or charitable remainder trusts, please contact The North Carolina Baptist Foundation, Inc., P.O. CHRISTIAN EDUCATION REPORT

CHURCHES AND COLLEGES WORKING TOGETHER

In North Carolina, Baptist churches and Baptist colleges enjoy a supportive partnership. It is still true that most of our pastors, missionaries, church staff members and denominational leaders are educated in Baptist colleges. Another outstanding example of church-college cooperation is the Baptist Youth Corps, which provided dedicated student leadership for more than eighty North Carolina Baptist churches during the summer of 1973. On campus, the college presidents interpret to the faculty and staff that our churches and colleges play important, complementary roles in the Christian missionary enterprise.

COOPERATIVE PROGRAM

Your North Carolina Baptist colleges continue to be grateful for the support which comes through the Cooperative Program. During 1973, more than two million dollars will be given to

support Christian higher education. Your colleges share this support as follows:

Campbell College	$340,721
Chowan College	212,951
Gardner-Webb College	249,153
Mars Hill College	296,002
Meredith College	296,002
Wake Forest University	517,471
Wingate College	217,210
	$2,129,510

THE IMPORTANCE OF BAPTIST STUDENTS

The colleges make a special effort to recruit North Carolina Baptist students. In fact, no qualified student is turned down in any of our colleges because of inability to pay. The churches help to make this possible through the Cooperative Program and the Baptist College Scholarship Offering on Father's Day. Baptist Colleges stress the importance of the individual student, and are anxious to enroll the youth from our churches who plan to attend college. Churches can help their students and their colleges by encouraging interested young people to apply for enrolment in one of the seven North Carolina Baptist Colleges.

COUNCIL ON CHRISTIAN HIGHER EDUCATION

Since 1945, the cooperative efforts and relationships of North Carolina Baptist Colleges have been coordinated by the Council on Christian Higher Education of the Baptist State Convention. The Council office is eager to assist both the churches and the colleges as together they help to create persons and a world as Christ would have them.

1. An examination of both the Combined Cash Journal and General Ledger reflects the books are in balance and all entries drafted correctly.
2. Requested and received letters of confirmation from several of the churches in the Association as to the amounts contributed and found that the contributions agree with amounts deposited by the Association.
3. An examination of all monthly bank statements revealed the bank checking account is reconciled on a monthly basis, that all receipts were deposited and checks written agree with the entries made in the combined Cash Journal.
4. An examination of each paid invoice bears the date paid and check number noted thereon.
5. A physical audit of the Petty Cash Account was made and found to be in balance.

This committee is happy to report that the financial records of the Central Baptist Association are kept in a neat, accurate and orderly fashion and recommend no change in its present accounting procedure.

Respectfully submitted,
Joe S. Adcock, Jr.,
Chairman

DATES OF 1975 MEETING

TO BE ANNOUNCED

First Day: Friendly Baptist Church

Second Day: Trindale Baptist Church

Annual Sermon: B. R. Hiatt

DEDICATION

The messengers to the Sixteenth Annual Meeting of Central Baptist Association voted unanimously to dedicate these minutes to Rev. and Mrs. Clyde H. Tucker.

Mr. Tucker accepted the call as pastor of Reavis Memorial Baptist Church on August 1, 1956. Certainly the Lord placed Clyde Tucker in this position, because with God's help he has sent his roots deep, grown tall, and continues to bear much fruit in his church, community, the city of High Point, and across the State of North Carolina.

His ability as a leader is recognized on the part of the many organizations that he has served.

The Central Baptist Association was formed in 1959 and Mr. Tucker was elected as the first moderator of the Association, a position he held for three years. He has served as chairman of the Missions Committee, Christian Life Committee, Program Committee, and a special study committee. He has served on the Ordination Committee, the Finance Committee, and the Credentials Committee.

With the North Carolina Baptist State Convention, he served as second vice president, member of the Executive Committee, member of the General Board, member of the Commission on Evangelism, and a member of the Time, Place and Preacher Committee.

He served the High Point Baptist Pastor's Conference as its president and secretary; and the High Point Minister's Alliance as its president, vice president, and treasurer.

No person or issue is ever thought to be beyond the scope of his personal concern. Mr. Tucker devoted much time and effort as President of the High Point Citizens for Christian Action in helping defeat the A.B.C. Store and Liquor-By-The-Drink referendum in our city and state.

The fellowship and Christian environment found in the Tucker home which is enjoyed by so many friends is enhanced by his wife, Melda, and their four children: Brenda, a senior at Gardner-Webb College; Peggy, a freshman at the University of North Carolina at Chapel Hill; and the twins, Sherri and Terri, ninth grade students at Allen Jay High School.

Mr. Tucker was educated at Hartsell High School in Concord, Wingate Junior College, Catawba College, and New Orleans Baptist Theological Seminary.

We are thankful for the privilege of knowing and working with this family, and pledge to them our continued love and prayerful support.

Constitution

OF THE CENTRAL BAPTIST ASSOCIATION
OF NORTH CAROLINA
Revised October 18, 1971

PREAMBLE

For the declaration of its fundamental purposes and the permanent guidance and control of its activities, the body does adopt the following as its constitution, subject to amendment:

ARTICLE I — Name

The name of this body is the Central Baptist Association.

ARTICLE II — Purpose and Objective

The purpose of this Association shall be to assist in the cooperation of Missionary Baptist Churches in the area of High Point, North Carolina. The Association shall promote fellowship, evangelism, church organizations, church building, missions and Christian education in the area of the Association; and at the same time cooperate with other associations, the Baptist State Convention of North Carolina, and the Southern Baptist Convention in all work of Southern Baptists.

ARTICLE III — Membership

The Association shall consist of messengers who are members of the affiliated churches as follows:

(1) Each church affiliated with this Association shall be entitled to four messengers, and every church having one hundred members shall be entitled to six messengers, and one additional messenger for every fifty thereafter, provided that number does not exceed ten:

(2) Pastors of the affiliated churches and their missions;

(3) Duly elected officers of the Association.

ARTICLE IV — Affiliated Churches

Section 1. The Churches affiliated with this Association shall be churches who use the New Testament as a statement of their faith and church polity, and require that a person upon his profession of faith in Jesus Christ as Saviour and Lord be immersed in water to qualify for church membership.

Section 2. Baptist churches shall be received into the fellowship only after having been under the watchcare of the Association for one full year. Application for membership shall be made through the Credentials Committee. The Executive Committee shall have authority to receive any church under watchcare upon recommendation of the Credentials Committee. Churches under watchcare of the Association shall make written monthly reports on forms provided by the Associational Clerk.

Section 3. Baptist churches affiliated with and in fellowship with other Baptist Associations may become affiliated with the Association without coming under the watchcare; upon the recommendation of the Credentials Committee, and approval of the Executive Committee or Association.

Section 4. The Association shall be clothed only with the authority to advise the churches touching all things pertaining to their interest but shall in no case presume to direct or control them in reference to their government or internal policy. The Association recognizes the complete autonomy of each affiliated church. Each church shall recognize the complete autonomy of the Association.

Section 5. Whenever a church fails to be represented by letter at the annual meeting, or fails to show interest by financial support and attendance at associational meetings, or reportedly violates Section 1 of this article, the Moderator shall ask the Credentials Committee to confer with the church. If a satisfactory reason is not given, and there is no evidence of effort to keep alive their association with cooperating churches, the Credentials Committee shall bring its findings to the Association. The Association, by majority vote of its messengers casting ballot, may then withdraw its fellowship. The Association recognizes that any affiliated church has the right to withdraw its fellowship from the Association.

ARTICLE V — Officers

Section 1. The Officers of this body shall be Moderator, Vice-Moderator, Clerk, Treasurer, Trustees, Sunday School Director, Church Training Direc-

tor, Music Director, Woman's Missionary Union Director, Brotherhood Director, and Superintendent of Missions.

The Executive Committee shall act for the Association between the annual meetings in conformity with the expressed decisions of the Association.

(4) This Committee shall meet on the dates as prescribed by the Associational Calendar of Activities. Ten members shall constitute a quorum after all the members have been duly notified of the meeting.

Nominations for Sunday School Director, Church Training Director, Music Director, Woman's Missionary Union Director, and Brotherhood Director shall be made at the June meeting of the Executive Committee so these officers can secure their workers by the time of the annual meeting and so they can attend conferences at Ridgecrest.

(3) Missions Committee.

This committee shall be composed of nine (9) members who will rotate plus the Moderator, the Clerk, and the Treasurer of the Association.

The duties of this committee are:

a. To promote the missionary and extension work of the Association.

EXECUTIVE COMMITTEE REPORT

There were no meetings of the Executive Committee from October 1973 until February 1974.

February: The Missions Committee called attention to critical needs at the Lake Park Baptist Church, and the following actions were voted: (1) That a sum of $1000 be appropriated to assist Lake Park from our Local Missions Fund. (2) That we request a sum of $2000 from the Baptist State Convention to further assist Lake Park.

April: The chairman of the special committee to nominate a superintendent of Missions, Dr. E. W. Price, complimented the Moderator, Charles Neill, and associational secretary, Mrs. Bob Cecil. He then presented the name of Rev. Eugene Talmage Williams as a nominee for the position of Superintendent of Missions. Rev. Williams and his wife gave their testimonies and were excused from the meeting. Voted to extend a call to Rev. Williams.

Voted to return to North Main Street Baptist Church $1,000 given for use by Samaritan Inn, at North Main's request.

May: Voted to approve the following missions committee recommendations: (1) That associational office hours for the summer be from 8 A.M. to

1 P.M., and that the secretary be granted two weeks' vacation. (2) That the association sponsor a program to reach young people at the fair. (3) That the association request the assistance of Rev. Joseph Watterson in exploring the possibilities of presenting the chaplaincy ministry to the industries of High Point.

It was noted that Eugene Talmage Williams declined to accept the call as Superintendent of Missions.

June: Dr. E. W. Price presented the name of J. D. Harrod as nominee for the position of Superintendent of Missions. Following testimonies by Rev. & Mrs. Harrod, voted to extend a call to Rev. Harrod.

Elected the following upon recommendation of the Nominating Committee:
Sunday School Director: Kenneth Miller
Church Training Director: Tom Welch
Brotherhood Director: Lindsay Royal
W.M.U. Director: Mrs. Donald Davis
Music Director: Roy Holder

Elected the following upon recommendation of the Committee on Committees:

Voted in approval of the following recommendation from the Missions Committee: "That the Central Baptist Association loan, interest free, $5,000 to J. D. Harrod to be used toward the purchase of a home, repayment to be arranged by the Finance Committee after a second mortgage has been paid off, the loan to be secured by a third mortgage."

Voted to pay J. D. Harrod's life insurance in the amount of $28.50 per month.

September: Upon recommendation of the Missions Committee, voted to establish and fill the position of Christian Social Ministries Director. It was noted that this would not take place until 1976; that salary would be paid jointly by the Home Mission Board and Baptist State Convention; and that the Association would be responsible for housing, travel expense, and certain benefits.

A motion was heard to accept Oak Grove Baptist Church back into the Association, waiving the 1-year watchcare required. Voted a substitute motion that this recommendation be made at the annual meeting if in keeping with the constitution.

Voted to write churches giving them an opportunity to participate in Clyde Tucker Day October 20 at Reavis Memorial Baptist Church.

Respectfully submitted,
W. L. Underwood, Clerk

SAMARITAN INN REPORT

After receiving a vote of confidence at last year's Associational meeting to pursue the securing of a qualified executive director, our annual meeting of the board of directors was held in November. The following officers were elected: J. R. Teague, Chairman; Mel Anderson, President; Elliot Stewart, Vice President; Ron Bowen, Secretary; Bob Cecil, Treasurer. A personnel committee of five men was also elected: Roy Teague, R. C. Fincher, Mel Anderson, Ron Bowen, and Ed Echerd.

To date we have not been successful in finding an executive director to guide us in establishing a program and lead us in constructing proper facilities to carry out this ministry.

A balance of $4,994.45 remains in a savings account at Central Savings Bank, designated as a building fund for Samaritan Inn, Inc.

Please continue to pray for God's will to be done in this ministry.

Respectfully submitted,
R. M. Bowen, Secretary

YOUTH AND FAMILY SERVICES REPORT

In the past few weeks, two sponsors have reported to us contacts from court referrals assigned to them approximately 3 years ago. In each case, the young people (one boy, one girl) visited the sponsors' homes and spent some time talking with them. In each case the young people had married and were law-abiding citizens, and wanted their sponsors to know that they were getting along well. At the time they were assigned, both had been in serious trouble and were on court probation. In the intervening years since their work with the young people, the sponsors had no way of knowing whether their efforts as sponsors had helped until their recent contact.

In the last few years, two full time agencies have been established in High Point with full time directors and staff. Only one is Christian-oriented. These have somewhat overshadowed our part time work. The following are statistics for the year 1973-74.

Referrals	8
Assignments	4
Speaking Engagements	2
Personal Conferences with Young Persons at Court	4
Attendance each week that court was in session	
Committee Meetings	1
World Missions Conference, Anderson, S. C.	

This year we also made provision for 5 girls and 5 boys at Camps Caraway and Mundo Vista; however, all of those selected by the Court Counselor did not take advantage of the opportunity to attend these camps.

A planned Associational Conference on Youth and Family Services did not receive enough response in April to justify having it, but it is rescheduled

for November. We hope for a good response from the churches so that more sponsors can be enlisted and our work enlarged.

Respectfully submitted,
Robert G. Canipe,
Part-Time Director

AUDITING COMMITTEE REPORT

The auditing committee made its final examination of the Central Baptist Association financial records for the fiscal year beginning October 1, 1973 and ending September 30, 1974.

This audit included a thorough check on each entry made in the combined cash journal and revealed that all checks written were properly entered therein. We found that the books were in balance and the bank statements are reconciled on a monthly basis. The petty cash fund was also audited and found to be in balance.

Each paid invoice bears the check number and date paid. Also each invoice was checked against its entry in the combined cash journal and the amount on each invoice is properly recorded.

This committee is happy to report the Association's financial records are neatly and orderly maintained and recommend no change in its present accounting procedure.

Respectfully submitted,
Joe S. Adcock, Jr.,
Chairman

EVANGELISM REPORT

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past thirty months 11,032 youth and adults have shared in this lay witness training from 855 churches and 44 associations. Also, 107 pastors from nine other associations have participated in Pastors' Retreats dealing with Lay Evangelism Schools.

"SHARING HIS LOVE AND SPIRIT" was the theme of the 28th Statewide Evangelism Conference at War Memorial Auditorium, Greensboro, February 4-6, 1974. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

God is greatly blessing the evangelistic ministry of our three summer youth evangelism teams. Nine college students are leading in music, preaching in youth revivals, and directing youth witness training sessions among 27 churches from Pisgah Forest to Edenton.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 10-14 for about 700 youth and adults with the emphasis on evangelism, vocational guidance and recreation.

About 15,000 youth, pastors, and adult leaders attended the 4th Statewide

Youth Evangelism Night August 16 at the Greensboro coliseum. Richard Hogue, evangelist, Houston, Texas, was the guest preacher, and Darcy and Sharon Hodges the guest soloists. Christian youth continue to share a strong witness for Christ across our state.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics during the past year.

The 29th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 3-5, 1975.

Remember to pray daily for the work of evangelism in all the churches of our state, nation, and world.

MISSIONS COMMITTEE REPORT

In beginning, let me say in behalf of the Missions Committee and, I believe, the entire Association, that we appreciate so much the fine work that Mrs. Edith Cecil did in our Associational office during the period in which we were searching for a Superintendent of Missions. We thank God for her and her continued service.

Our committee met five times during the past year. Many items of business and interest have been discussed. Coming from our committee to the Executive Committee have been various recommendations: a ministry at the fair; a project to introduce industrial chaplaincy to the industries of our city; financial aid for the Lake Park Baptist Church; the employment of a Christian Social Ministries Director through assistance from our State Convention and Home Mission Board; the encouraging of our Association to cooperate with the Reavis Memorial Church in an appreciation day for Clyde Tucker; and various other items pertaining to our Associational office and the coming of our new Superintendent of Missions, Brother J. D. Harrod, his wife Donice, and daughter Roberta.

The ministry at the fair was a new venture for the Association. We appreciate the efforts of Brother Harrod, Billy Long, Mrs. Cecil, many of our Associational youth, and especially Tom Welch, who served so ably. We shall continue to study, suggest, and make new and better plans for such a ministry in the future, should the Association desire to pursue this ministry. Comments concerning this effort have been favorable.

Concerning the future, it is ours to claim. This must be done in unity and cooperation. We want to make further plans for the Christian social ministry, for the introduction of the ministry of the chaplaincy to our city, and better utilization of all our equipment and facilities. I personally feel that in the light of the experience of Brother Harrod in the field of radio we should initiate a regular ministry of outreach through this channel in our city.

The fields are white unto harvest. Our vision must be greater, our dedica-

tion more complete, and our praise and thanksgiving to our wonderful Saviour more full if we expect to meet the challenge of our days.

B. R. Hiatt, Chairman

SUNDAY SCHOOL REPORT

Our Sunday School Department has concentrated on the "Reach Out" program suggested by the Baptist State Convention. Work began in June and July with a "people search." September is designated as "Reach Out" time — a time to reach out and contact prospects found in the people search. November 17 has been set aside as High Attendance Celebration Sunday to be observed Convention-wide.

Our Vacation Bible School team attended the state clinic at Wingate College in January, and conducted two Associational clinics at Emerywood Baptist Church in April. Team members were Steve Shoemaker, Director; Ken Miller, Adults; Pat Taylor and Mrs. Edwin Shufelt, Youth; Nancy Matheson, Children's I; Marty Shipley, Children's II; Alma Bumgarner, Children's III; and Edith Cecil, Preschool. Vacation Bible Schools were held during the summer in 28 churches and missions, with an enrolment of over 4000 children.

CHURCH TRAINING REPORT

Another inspiring "M" night was held in December at the Pilot View Baptist Church, with missionary Zeb Moss bringing the message and challenging our people to a deeper commitment in training and world missions. Attendance banners were taken by Pilot View and Garrell Street.

There was a good response to the Workshop for all age groups led by William Caldwell, Adult Training Leader in Nashville, Tennessee, and our Associational leadership. We commend Mrs. Homer Smith and First Baptist Church, which was the only church participating in the Scripture Drill for Children ages 9-11. New pamphlets concerning the Children's Drill are now available from the Church Ministries and Training Department, Raleigh.

We encourage your best support for our new Associational Church Training Director, Tom Welch, who is associate pastor at English Road Baptist Church. He is currently planning a great Church Training Spectacular on "M" Night Friday, December 6, 7:30 P.M. A record attendance is expected, with Dr. Carl Bates of Charlotte as the featured speaker.

WOMAN'S MISSIONARY UNION REPORT

The year began "officially" with the two-night Leadership Conference late in September. The 1973-74 WMU Emphasis on Mission Support was one of the many things presented to those who attended. The areas of mission support emphasized were financial, providing an atmosphere where people will hear the call to missions as a career, and prayer support.

Two activities gave special attention to the prayer support phase. Baptist Women and Baptist Young Women met in October for a short prayer retreat under the leadership of Miss Martha Franks, retired missionary. In November, the Baptist Women and Baptist Young Women met again for special prayer in observing the worldwide Baptist Women's Day of Prayer. The highlight of this meeting was the closing time when all joined hands and hearts in prayer for individual and world needs.

The Foreign Mission Study, held in early November, was led by Rev. Edward Laughridge, missionary to Trinidad. He told of his work and developed the general theme of the study, Career Missions as a Vocation. Due to decreased response to the last four associational mission studies, the Home Mission Study, planned for February, was cancelled. Each church was encouraged to have its own study, and offered assistance, if needed, to carry out such a study.

Fifteen years of WMU in Central Baptist Association were completed as the Annual Session was held in April. Mrs. Gilmer Cross, North Carolina WMU President, was our special guest for this meeting, along with the featured speaker, Rev. W. Dennis Hill, a representative of the Personnel Division of the Foreign Mission Board. In preparing for the observance of the 15th Anniversary, it was noted that to date there has not been any time at which all cooperating churches of the Association have had WMU work.

1973-74 brought to completion the two year emphasis in WMU known as GIANT STEP. Increase in number of organizations, increase in membership, and increase in magazine subscriptions were the goals of this emphasis. Churches of the Association experienced increases in all three, and one church previously without any WMU organizations began Baptist Women's work.

Summer months brought two major events. A weekend retreat was held late in August for Acteens at Mundo Vista. Miss Martha Franks and Rev.

Calhoun Johnson were the featured leaders of this retreat attended by leaders and members of about half of the Acteens groups in the Association. And in July a mini-newspaper entitled "Women's Mission Update" was published. This publication, a first attempt of its kind in Associational WMU work in our Association, was used to review past events, and to preview plans for 1974-75. Plans are to repeat this, as it was well received.

Exciting plans are already being made for 1974-75, and it promises to be a full year. Several events have been added to the calendar: a special fellowship during the WMU Focus Week in February, and an overnight prayer retreat for Baptist Women and Baptist Young Women. Plans are also being made for Acteens, and possibly Girls in Action, to have a part in the annual meeting to be held in April.

The Associational WMU officers giving leadership in the coming year are:

WMU Director: Mrs. Helen Davis
Baptist Women Director: Mrs. Elizabeth Sechrest
Baptist Young Women Director: Mrs. Phyllis Sechrest
Acteens Director: Mrs. Sandra Butler
Girls in Action Director: Miss Barbara Shaw
Mission Friends Director: Mrs. Merle Troutman

Mrs. Donald Davis

BROTHERHOOD REPORT

The Brotherhood program exists to assist all churches in the following programs: organizing and maintaining a witnessing Brotherhood, all phases of R. A. work, and assisting in mission action and study.

We extend our thanks to the churches who have called on the Brotherhood for assistance this year.

Our annual R. A. Picnic was held at the Cedrow Avenue Recreation Park on September 14. Mr. James Simpson from Oak View Church directed games and gave prizes to the winners. Hamburgers and hot dogs with all the trimmings were enjoyed by all.

I want to personally thank everyone who has been so wonderful in making these two years long to be remembered in my life.

Respectfully submitted,
David B. Boyles

SUPERINTENDENT'S REPORT

In its regular meeting on June 18, 1974, the executive committee extended a call to come as your Superintendent of Missions for Central Association. My wife and I arrived on June 27 and made our residence in the upstairs

of the Baptist Center. On August 19 we moved into our permanent residence at 518 Shady Brook. We appreciate the kind help of the Association and other private individuals who made this move a possibility. We also want to thank those who made gifts toward household furnishings.

From July 1 to September 30, I preached 21 times, visiting in 18 churches in our Association. I attended two meetings in Raleigh, 12 committee meetings in the Association, and 11 other meetings of different types. I traveled a total of approximately 4000 miles on the field. The week of prayer for Associational missions, August 18-25, was observed in a good number of churches, and we hope that participation will reach 100% next year. On August 25 a reception was held for us at Oak View Baptist Church. It was well attended, and Donice and I greatly appreciated the opportunity to meet so many people at one time.

We want to express our appreciation for the privilege of serving as your Superintendent, and for the many kindnesses that have been extended to us. We look forward to many years of fellowship with you as we serve our Lord together.

Respectfully submitted,
J. D. Harrod

CREDENTIALS COMMITTEE REPORT

The Credentials Committee have questioned and made thorough investigation on two churches: Freedom Baptist Church, Rev. Jessie R. Dennis, Pastor, and Oak Grove Baptist Church, Rev. Joe Lawson, Pastor.

The Credentials Committee are recommending to the Central Baptist Association that these churches be received under the watchcare of the Association for one year, and then into full fellowship of the Association, provided all requirements have been met.

BAPTIST HOSPITAL REPORT

In spite of the growth in size and complexity at your Baptist Hospital, the emphasis is still upon "ministering with skill and understanding". Evidence of this is a typical patient's remark recently: "From the head surgeon to the aide who handed me a glass of water, with all the doctors, nurses, people in

the business offices and chaplains in between, I was cheerfully given every personal consideration."

Changes and additions continue to be made for the purpose of providing better hospital care. Renovation of the Progressive Care Unit has been completed, and the South and West wings of the hospital building are now being renovated. Construction of the Ambulatory Care Unit is well under way and is scheduled for completion in the spring, or early summer of 1975.

New discoveries continue to make possible better medical care. For example, a new EMI-Scanner is to be installed and is expected to be in use before the end of this year. This device, which combines the use of X-rays and computers, will make it possible to detect brain tumors, blood clots, and strokes more accurately and more quickly. Scans can be completed in about 30 minutes and the results can be available in another five minutes. There is no risk or discomfort involved, and the patient does not have to be admitted to the hospital.

New approaches are also being made in the hospital's ministry to the emotional and spiritual needs of people. The Division of Human Enrichment and Development, in the Department of Pastoral Care, is conducting retreats, seminars, and workshops designed to help appropriate the resources of the Christian faith to the various areas and experiences of life. The Pastoral Care Department has also opened its first satellite center, in Fayetteville, to offer counselling and training to people in that area. Your Cooperative Program gifts help to support these ministries.

The School of Nursing graduated its last class in May. The school has been in the process of phasing out for the past three years, as the result of a trustee decision made in 1971.

In January the hospital had its only room rate increase in the past three and one half years. Nevertheless, the hospital continues to operate "in the black". The 1973 Mother's Day Offerings amounted to $375,000. At the time of this writing, our 1974 Mother's Day gifts are running ahead of the same time last year. These gifts are used to assist patients with the most urgent financial needs. A special committee of five Baptists from the Winston-Salem area assists personnel from the hospital business office and the Department of Denominational Relations in administering these funds.

Your Hospital staff, and the people they serve, are grateful for your interest, your prayers, and your financial support.

Respectfully submitted,
Floyd H. Rhyne
Hospital Representative

BAPTIST CHILDREN'S HOMES REPORT

Christian child care is a shared adventure. We proceed by faith to build a helping relationship with children and their families in need. We cannot know

in advance the final outcome, but we are confident of God's power to work in these relationships for reconciliation and healing.

Much has happened this year to strengthen the foundations for our ministry of child care. The recreation and administration buildings at Broyhill Home are nearing completion. A cottage and two staff residences at Kennedy Home will soon be dedicated. A challenge gift of $100,000 has been received for the development of Greer-Burris Home at Chapel Hill.

"The Mountain Within", a thirty-minute 16mm sound picture, has been filmed to tell the story of the Children's Homes. It was premiered at the Piedmont Area Conference September 12. Following extensive use on statewide television broadcasts, it was released for showings to churches, associations, civic clubs, and other interested groups October 1. Place your order for the film through the Department of Communications of the Baptist State Convention.

Our Piedmont Area services have expanded significantly during the past year. Mills Home continues to provide the highest quality group care to more than two hundred school age children. Wall Home has pioneered with an exciting outdoor high-adventure program for a group of teenage boys. Our first Emergency Care Home opened in Burlington May 21, and a similar home was opened in Charlotte in late summer. These two homes represent a cooperative venture with the Mount Zion and Mecklenburg Associations to provide emergency care on the local scene. New foster homes have been licensed and have increased the number of foster home children in care.

The continuing good will and generous support of our friends throughout the State make possible this vigorous and progressive ministry of child care. During the past year, North Carolina Baptists gave more than a million dollars to Christian child care in the North Carolina Baptist Children's Homes through the Cooperative Program, the Thanksgiving offering, and designated gifts and offerings. Rising costs and the need for expanding services challenge all of us — staff and supporters — to continue our investment in the shared adventure of Christian child care.

Frank Dingler
Children's Home Representative

BAPTIST HOMES FOR THE AGING REPORT

As a Baptist, among the many vital ministries that you support are your North Carolina Baptist Homes for the Aging. For over 23 years now, you have had a part in serving hundreds of older people and making life happier and more secure for them. You have done so through two very helpful means of income: (1) the Special Offering for the Homes, received on the third Sunday of February each year; (2) the Cooperative Program. Gifts through these two sources have increased from year to year, and offerings for 1974 will perhaps exceed $350,000, providing more than 30% of the budget needed to operate 5 resident Homes and the Nursing Care Unit.

God, through you, has blessed this ministry of our Baptist Homes in a remarkable way, leading you to establish two Homes in Winston-Salem, Resthaven, and the Hayes Home, and the Nursing Care Unit, and three other Homes at Albemarle, Hamilton, and Yanceyville. In these Homes, 4 out of every 5 residents depend upon your love gifts and simply could not be cared for without your help.

Of greatest significance during the past year has been the decision by the Trustees of the Homes to establish a 6th Home in Western North Carolina, to be located in the city of Asheville on the Pearson Estate, a magnificently beautiful twenty-one acre site, overlooking the city, and with the gorgeous Blue Ridge Mountains in the background. A dedicated group of people in the Western Carolina area have organized the first initial phase of what will become, it is hoped, a major Statewide fund raising effort to obtain the necessary money to build this proposed Home, after approval by the General Board and the Baptist State Convention. Church groups are encouraged to visit the beautiful site on which the proposed Home will be built, and will be served lunch if an appointment is made in advance.

With the addition of a 6th Home for the Aging, with the spiraling cost of living, and the great and ever-increasing needs of older people, it is most urgent that our Baptist people be more generous than ever before in support for the Homes through the regular channels of the 3rd Sunday of February Offering, the Cooperative Program, and an over and above gift for the western North Carolina Home.

Ministry to an older person is a direct ministry as unto Christ Himself and is most pleasing to Him, we are sure!

BIBLICAL RECORDER REPORT

The BIBLICAL RECORDER is grateful for another good year, although these are difficult days for religious publications. Some have had to go out of business while others are squeezed by rising costs. The RECORDER has not escaped the pressures of inflation. For example, paper has risen 61 per cent already this year — and the end is not in sight.

Even so, the RECORDER has been in business for 141 years and expects to continue. A few changes have to be made, however, to keep the paper strong. As staff members have resigned or retired, they have not been replaced. Some weeks the number of pages has to be reduced to save money, but readers have been very understanding.

Despite some problems, the RECORDER is enjoying its highest circulation in history — more than 111,000 — thanks to the continuing support of the vast majority of Baptist churches in the state. These churches and their

members remember the part the RECORDER played in the overwhelming defeat of liquor by the drink last November. This is probably the most significant story that the RECORDER has reported since the associations met last year. You will remember that approximately 70 per cent of the voters in the state voted against liquor by the drink and it was defeated in 97 of 100 counties. This should take care of this issue for awhile.

The RECORDER will continue its emphasis on local church coverage, seeking to deal with problems that every church has. Naturally, we are prejudiced, but we do not believe any publication can take the place of the BIBLICAL RECORDER. If your church does not send it to every family, may we ask a simple question: Why? At a cost of only a nickel a week for each family, this is the best investment a Baptist church can make. Put the RECORDER in the budget before it has to increase the rate because of inflation.

CHRISTIAN EDUCATION REPORT
CHURCHES AND COLLEGES ARE PARTNERS

While churches and colleges are not identical in their purposes, Baptist churches and Baptist colleges in North Carolina do their work in an atmosphere of mutual appreciation. This active partnership includes Baptist Youth Corps, student-led worship and revival services, visits to the campuses by pastors and other leaders, participation of faculty and staff in associational and local church programs, and special projects of promotion on behalf of the Cooperative Program.

COOPERATIVE PROGRAM

Your seven Baptist colleges are grateful for the continuing financial support which they receive through the Cooperative Program. During 1974, approximately $2,350,000 will undergird the work of North Carolina Baptist Colleges. At a very crucial and difficult time, these funds make a tremendous difference in the quality of programs offered by our schools.

BAPTIST STUDENTS

The colleges make a special effort to recruit North Carolina Baptist students through pastors and superintendents of missions. No qualified student will be turned away simply because of inability to pay. Baptist colleges are anxious to enroll the young people from our churches.

CHANGES IN WINGATE COLLEGE LEADERSHIP

After 20 years of effective leadership, Dr. Budd E. Smith resigned the

presidency of Wingate College. On June 1, Dr. Thomas E. Corts of Georgetown, Kentucky assumed the presidency of the seventy-eight year old institution. Dr. Corts, the eleventh president of Wingate College, came to this position with excellent preparation and experience.

COUNCIL ON CHRISTIAN HIGHER EDUCATION

Our colleges — Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate — work together and with the Baptist State Convention through the Council on Christian Higher Education. The Council office is eager to assist both the churches and the colleges in the promotion of understanding and cooperation as together they deal creatively with persons in the name of our Lord.

T. Robert Mullinax

RESOLUTIONS COMMITTEE REPORT

The Resolutions Committee recommends that:

1. We express our gratitude to Albertson Road Baptist Church, Bill Bishop, Pastor; and Lexington Avenue Baptist Church, Woodrow Robbins, Pastor, for their hospitality and welcome.
2. We express our thanks to Charles Neill, Mrs. Bob Cecil, and the Missions Committee for overseeing the Associational Office in the absence of a director.
3. We express our appreciation to our Pulpit Committee for seeking and following the direction of the Holy Spirit in calling Rev. J. D. Harrod as Associational Missionary.
4. We express our appreciation to the Program Committee for the excellent program.
5. We express our appreciation to the ladies of Hillcrest Baptist Church for assembling the Calendar of Activities; and to Mrs. Cecil and Rev. Harrod for going beyond the call of duty in assembling the Book of Reports by themselves.
6. We owe a special word of thanks to Rev. Clyde Tucker for service to the Association on the Christian Life Committee.

Annual Sermon: Alfred Miller

REV. & MRS. DAVID BUCIE BOYLES

These minutes of the Seventeenth Annual Session of Central Baptist Association are dedicated in loving memory of Rev. David Bucie Boyles, 1906-1974.

Dave Boyles, as he was known by his many friends, was a member of First Baptist Church of High Point. He served his church as a Deacon, Sunday School teacher, and Brotherhood President. He served Central Association also as Brotherhood Director.

Although Mr. Boyles was an ordained minister, instead of accepting a pastorate he chose rather to work with laymen, training them in soul-winning by example. He led in laymen's week-end revivals in several southeastern states. This work led unnumbered souls to a personal knowledge of God's saving grace and to accepting Christ as their personal saviour. As a result of his ministry, some sixteen men accepted God's call to full time gospel ministry. Mr. Boyles also served as interim pastor for Albertson Road, Hillcrest and Parkwood Churches in our Association; Stephens Memorial Church, Greensboro; and a church in Red Hill, North Carolina.

For years he owned and managed Boyles Auto Parts. Being a man of prayer and having a personal concern for others, it was often during business hours that he invited people into his office and shared the love of God with them. Many also attest to his concern for others by his financial help.

He often referred to his wife Rose as one who stood by him in prayer and in every way a faithful and loving wife could. His daughter, Mrs. William (Carrie) Almond, Sanford, N. C.; sons David B. Jr., Front Royal, Virginia, and Billie L. and Richard of High Point all rise up and call their father blessed.

The people of Central Association are grateful to God for Dave Boyles and feel we are truly blessed for having known and worked with him. A fitting tribute to Dave Boyles is that the lay witness group he organized continues its ministry under the name "Dave Boyles Lay-Witnessing Organization".

If a satisfactory reason is not given, and there is no evidence of effort to keep alive their association with cooperating churches, the Credentials Committee shall bring its findings to the Association. Mr. Hayworth moved the approval of this recommendation, it was seconded, and approved. It was explained that the Constitution would be changed accordingly, and that the new committee structure would go into effect with the enlistment of 1976-77 committees.

EXECUTIVE COMMITTEE REPORT

The Executive Committee met for the first time in the new year on December 17, 1974. The Samaritan Inn Board of Directors reported that they were planning to take no action to secure a director for Samaritan Inn until the next church year. The Missions Committee reported a tentative industrial chaplaincy banquet for March 1975. This committee also presented a request from the College Heights Church asking for pastoral aid in the amount of $1,200. The request was approved and forwarded to the State Convention. A motion was passed to send a letter to the City Council opposing the repeal of the Sunday Blue Law.

The Executive Committee met again on January 21, 1975. The WMU Director reported a prayer retreat to be held February 28 to March 1, and an associational mission study for March 4. The Sunday School Director announced a VBS Clinic to be held in April. The Missions Committee presented a plan for cooperative benevolence to facilitate our benevolent work and to check on the creditability of requests. Volunteers were requested to help with the distribution of clothing at the Baptist Center. The Missions Committee also suggested that the associational office and the churches could coordinate their purchases of mimeograph paper to obtain bulk prices. A motion was made and passed that Mrs. Harrod be employed to replace Mrs. Cecil during her surgery and recovery.

The Executive Committee met at English Road Baptist Church on March 18, 1975. The Sunday School Director announced an Outreach Conference for May 1 led by Burtt Potter. The WMU Director reported that a letter had been sent to all the churches requesting volunteers to help distribute clothing at the Baptist Center. Reports were given on the prayer retreat and WMU fellowship. The date of the WMU annual meeting was announced as April 7. The Board of Directors for Samaritan Inn brought the following recommendation: "that the ministry of the Samaritan Inn for the rehabilitation of alcoholics be discontinued but that the charter be kept for use in another associational ministry as directed by the Association at a future date as recommended by the Missions Committee". After much discussion, a motion was made to refer the matter to the Missions Committee for careful study and that a report be made later. The motion carried. A motion was

made and passed to purchase an addressograph machine. It was reported that the Industrial Chaplaincy dinner was to be held on March 25.

The May 20, 1975 meeting of the Executive Committee was held at English Road Church. The Sunday School Director reported that 9 churches were represented at the Pastor-Director workshop. The WMU director reported that 13 churches had responded to the mailouts to offer volunteers to help with the clothing ministry. The "Grime-to-Shine" day was set for May 23 to clean the Baptist Center. The Finance Committee recommended that:

1. The Association give $400.00 to the Concerned Citizens of Archdale for use in the liquor fight.
2. The Association provide $200.00 for a Pastors' Retreat.

The action carried. The Missions Committee made three recommendations:

1. That the alcoholic phase of the Samaritan Inn ministry be terminated. Carried.
2. That the assets of Samaritan Inn held in Central Savings Bank be kept for a future ministry as approved by the Executive Committee. Carried.
3. That Central Association conduct a Christian Social Ministries Survey, and that a student summer worker be employed at $50.00 per week up to ten weeks to do the survey. An amendment was added to this recommendation from the floor that the amount "not exceed" $50.00 per week. Carried.

The Missions Committee also recommended the election of Floyd Rhyne as Director of the World Missions Conference scheduled for March 28–April 3, 1976. Carried.

A special committee was appointed to look into the needs of Wayside Haven and the House of Prayer, and bring back a report to the Executive Committee.

The next meeting of the Executive Committee was on June 17, 1975. The WMU Director, Mrs. Helen Davis, introduced the director-elect for the coming year, Mrs. Thelma Bollinger. The Nominating Committee presented the following names:

Brotherhood Director: Vernon Frank
Music Director: Catherine Pressley
WMU Director-Elect: Thelma Bollinger

These were elected by unanimous approval.

The Committee on Committees presented the following names:

Chairman Missions Committee: Bob Polk
Chairman Evangelism Committee: F. G. Alford

The August 19, 1975 meeting of the Executive Committee was held at the English Road Baptist Church. The chairman of the Properties Committee presented a recommendation that an alarm system be installed in the Baptist Center. The matter was referred to the Finance Committee for further study. A motion was made to accept the recommendation of the Time, Place and Preacher Committee to meet for our annual session at Friendly Church on October 20, and at Trindale on October 21. Carried. The special committee to study the needs of the alcoholic work of Wayside Haven and the House of Prayer gave its report. The matter was deferred until the September meeting. The Nominating Committee presented the following names for election:

Sunday School Director: Tom Welch
Church Training Director: Andy Truan

These were elected.

The last meeting of the Executive Committee for the 1974-75 year was on September 16, 1975 at English Road Church. The Finance Committee presented the proposed budget for 1975-76 for discussion. There was a motion and second that the Christian Social Ministries items in the budget be deferred and that the Missions Committee be asked to discuss the matter. Carried. The Finance Committee recommended that a burglar alarm system be installed at the Baptist Center. Carried. The WMU Director reported that a Leadership Conference would be held on September 29 and 30 at Brentwood Baptist Church. The Committee on Committees recommended that the Association consider restructuring its committees and bring a report to the annual session.

Respectfully submitted,
Lawson Allen Clerk

YOUTH AND FAMILY SERVICES REPORT

These days we hear a lot about needs of youth in trouble, but volunteers seem less anxious to work with them. Our churches are letting other organizations do work that should be done by the churches and individual Christians.

Our Youth and Family Services program seeks to find Christian sponsors from among our churches to work with youth in trouble. There are many conferences, meetings, and speaking engagements and other attempts to do something positive that will help some boys and girls find Jesus Christ as their Saviour.

While several organizations generate a lot of publicity to promote their work—it is all good—we dare to hope that our churches and individual Christians will find motivation of the Holy Spirit to do something this next year.

Every church in Central Baptist Association ought to have at least ten active volunteers ready to serve. This year our referrals from the court have been very few,

and we have not been able to sponsor all we received.

Here are a few statistics of the Director as related to our Associational work.

Personal Conferences	12
Speaking Engagements	5
Attendance at Court	43
Workshop	1
Committee Meetings	1
Associational Conference	1
Training Session for Volunteers	1
Camp (9 boys & 2 counselors)	1

Each church has a copy of the study made this summer of the needs in our Association.

EVANGELISM REPORT

Evangelism! The very word brings numerous and varied pictures to our minds, depending upon what our spiritual diet has been over the years. Most of us probably think of the annual Spring or Fall revival meetings, which last from three to fourteen days as a rule. Some of us might think of evangelism as the Tuesday or Thursday evening visitation program of the church. Bishop Kenneth Goodson, of the United Methodist Church, told Baptists at their 1972 Evangelism Conference that evangelism is "one beggar telling another beggar where to find bread." Whether he originated this statement or not, it is true. But evangelism is all of these things, and more! Our word "Evangelism" comes from the word that means "the good news" of Jesus Christ and the kingdom of God. So in our relations with the world about us, evangelism is telling them the good news that Jesus Christ has died for their sins, and that they can enter the kingdom of God by faith in him. The fullest meaning of evangelism is found in the Great Commission of Matthew 28:19-20, where we are told not only to make disciples of the nations, but also to baptize them "in the name of the Father, and of the Son, and of the Holy Ghost," and to teach them "all things whatsoever I have commanded you". Anything short of the fulfilling of that commandment is not true evangelism. These are the primary and major things that the church exists for, and that is what we are involved in as we carry on the program of the church.

Your evangelism chairman did not receive replies from all the churches of Central Association, but from the ones received it can be seen that, as good as some of the reports were, as an Association we must do more if we are serious about evangelizing our communities. The State Youth Evangelism Night at the Greensboro Coliseum was a good experience for some who attended; the one or two revivals in each church in 1974-75 resulted in the winning of disciples; the visitation evenings were successful to a degree; but we are caused to wonder if any of us did all that we feel that God is telling us through His Word and His Spirit to do in winning this lost world to Jesus.

The Evangelism Committee suggests that a greater participation on the part of all the churches in some dependable source of training in Christian witnessing will greatly aid us in being evangelistic people. The incoming chairman will give fuller details concerning another Lay Witness School in the new church year, so be ex-

pecting an announcement about it soon, and be preparing to participate in training. Let us give greater emphasis to preparation in prayer and Bible study, and to becoming better personal witnesses to people in general, and to specific persons as we are led by the Holy Spirit. We can hardly pray for a person and not really become concerned about winning him or her to Jesus. Notwithstanding the skeptics and the critics, revival meetings are not out of style for the church. By all means let us not be discouraged to the point that we are willing to stop this means of getting the "good news" to as many or as few as continue to attend them. Revivals are not out of style, but it may be that we have lost our style as Baptists and as Christians in listening to the critics. Remember that critics have been proved wrong many times before!

Your Evangelism Committee stands ready to help in any way that the church leaders feel they can use them in encouraging and strengthening the arm of New Testament evangelism locally and Association-wide. May each church and each Christian have the very best year in evangelism that we have experienced!

Respectfully submitted,
Charles W. Stafford,
Chairman

CHRISTIAN LIFE COMMITTEE REPORT

During the Christmas Season last year the Christian Life Committee featured several spot announcements on WMFR Radio and an ad in the HIGH POINT ENTERPRISE encouraging the proper observance of Christmas, especially one free of alcoholic beverages.

We assisted the brethren of Archdale financially in their successful effort to defeat the establishing of an ABC liquor store there. As chairman of the Christian Life Committee, I along with other brethren attended the City Council hearings on the Sunday Blue Law and took part in an effort to retain the Blue Law.

I am deeply concerned over the use of profanity, promiscuity and pornography in so many programs, dramas and talk shows on the television and movie theater screens and on the newsstands. I am disturbed over the widespread availability and use of drugs and alcohol among our citizenry.

Therefore, I urge each Christian to act responsibly to combat evil in whatever form it appears by expressing his objections to proper authorities. I also urge everyone to practice the Christian observance of the Lord's Day. In I Timothy 5:20 we read, "Them that sin rebuke before all, that others also may fear".

This is an age of opportunity for Christians to be alert and to stand for truth and righteousness. This is not a time to be fainthearted or to be "at ease in Zion". We trust that we will be strong and faithful to the Lord in the days ahead. Revalation 2:10: ". . . be thou faithful unto death, and I will give thee a crown of life."

Respectfully submitted,
J. Charlie Monk, Jr.
Chairman

REPORT OF AUDITING COMMITTEE

An examination was made of the books of the Central Baptist Association for the fiscal year beginning October 1, 1974 and ending September 30, 1975.

All phases of its accounting system were checked which included a thorough examination of the combined Cash Journal, General Ledger, and the Check

Book. Letters were also mailed to each member church requesting confirmation of contributions made to the Association during the past fiscal year.

This committee is happy to report that the books are in balance, that they are maintained in a neat and orderly fashion and we recommend no change in its present accounting procedure.

Respectfully submitted,
Joe Adcock, Chairman

MISSIONS COMMITTEE REPORT

Your Missions Committee has been rather busy during this past year. The total committee has been called to meet at least nine times—one of these times being a joint meeting with the trustees of the Samaritan Inn. The chairman and superintendent of missions have made at least three trips to Raleigh to meet with Dr. Upchurch concerning the proposed social ministries effort here in our Association, and have alos attended three regional Triad Missions Committee meetings—one in Durham and two in Greensboro.

A luncheon to introduce the industrial chaplaincy program was attended by six industrial representatives. We anticipate a follow-up program in this area.

Other areas of work that we have attempted to intorduce and promote are: a cooperative benevolent ministry using our Associational office as a clearing agency; a program to aid our churches to purchase mimeograph supplies through a combined purchasing effort; and a ministry at the fair was again promoted this year. We owe a debt of gratitude to Rev. Billy Long and Friendly Baptist Church for their effort in this ministry.

The World Missions Conference coordinator, Brother Floyd Rhyne, was recommended to the Executive Committee and was elected. We trust many of our churches will be involved in this conference on March 28—April 1, 1976.

A Christian Social Ministries Survey sponsored by our Association during the summer months was perhaps our largest effort of the year. This was an extensive ten-week study of our community by Mike Teague, a seminary student, who worked under the supervision of our Associational Superintendent. We appreciate Mike's efforts and the work done by our Associational Superintendent and the office secretary, Mrs. Cecil, in getting the results of this study published. If you have not studied this report, see your pastor and request a copy or contact the Associational office to secure one.

The Missions Committee is working with this report but at present have no definite recommendations for the Association to consider. Hopefully at a very early date the committee can recommend to the Executive Committee a plan of work that is needful and will strengthen our work.

In closing let me express appreciation for those who have worked with me as chairman of the Missions Committee. I trust in the future that our pastors and churches will give their support to our Associational efforts.

Respectfully submitted,
B. R. Hiatt, Chairman

SUNDAY SCHOOL REPORT

Southern Baptist Churches all over the nation will be observing "Celebration Sunday" November 2, 1975. Mark this date on your calendar. The Southern Baptist attendance goal is five million. Each church will be calling in their attendance by 1:30 P.M. to their representative which will be named later. According to

the Sunday School Board records, last year it took four Southern Baptist churches one year to enroll one person in Sunday School. Presently there are 7,190,829 members reported. Sunday School is by far the largest Southern Baptist program.

Our Vacation Bible School team attended the State Clinic at Wingate College in January and conducted two Associational clinics at Oak View, with Rev. Ramon Ergle leading along with his team members. A Sunday School leadership workshop was held at Oak View October 6 & 7 with a total enrolment of 162.

This new Sunday School year we are to have an Action Clinic on an Associational level. This is scheduled tentatively for February 9 and will introduce us to a five-point enlistment program. We are looking forward to a greater growth in our Sunday School and Vacation Bible School next year.

Respectfully submitted,
Kenneth A. Miller
Sunday School Director

CHURCH TRAINING REPORT

The objective of the program of Church Training on the Associational level is to assist churches in establishing, enlarging and improving church training in the local church. Church Training has heretofore been a declining promotional effort across the Southern Baptist Convention. After an emphasis was launched under the name of "Church: The Sunday Night Place", many churches have come to the point of rediscovering the excitement of Church Training and the good that comes from offering adequate training to their congregation. Church Training, in order to be an effective, exciting part of the church schedule, demands total dedication on the part of the pastor and the membership. There are still several churches in Central Association who are not participating in a church training program. It is our sincere hope that they will come to the point of realizing that their lay leadership, and in turn the church, are only as good as the quantity and quality of training they receive.

The greatest highlight of this past year was the "Church Training Spectacular" which was held on "M" Night Friday, December 6, 7:30 at English Road Baptist Church. A record attendance was recorded as our folks in Central Association literally "packed the pews" to hear an exciting program of inspirational music provided by the Son Light Singers of Campbell College and a challenging message by Dr. Carl Bates, former president of the Southern Baptist Convention and pastor of the First Baptist Church in Charlotte.

We are excited about our new Associational Church Training Director for 1975–76. He is Andy Truan, a highly active layman with the Jamestown Baptist Church. Andy has a real background of practical experience in Church Training and has served for several years as a Church Training leader in Central Association.

Respectfully submitted,
Tom Welch
Church Training Director

WOMAN'S MISSIONARY UNION REPORT

"What a year to remember! So many have done so much! However, there is yet much to be done. . ." These statements were written to summarize WMU in CBA at mid-year, but they are still accurate at year's end. 1974-75 has been a busy year, including both traditional events and many "firsts".

Beginning with the late September Leadership Conference, the Associational WMU year began with a "first". The 1974 conference was a "first" in its approach

to training. Rather than the traditional training offered, this year's conference was geared to inexperienced officers on the first night, and all WMU leaders and 1974-75 plans on the second night. 98 women received training.

Traditional meetings—observance of the worldwide Day of Prayer and a leadership training session for officers of Acteens organizations—were held in November and December.

1975 started with another "first". GA's from CBA churches traveled to Thomasville and the Mills Home Baptist Church for a party with their GA's.

The traditional WMU Focus Week in February included two "firsts": a fellowship for all WMU members, and a Father-Daughter Tea for GA's. Both are to become annual events.

February was especially busy for Associational WMU, for we were assigned the specific task of reorganizing and directing the clothing closet ministry at the Baptist Center. Many hours of work on the part of many volunteers (members of BYW and BW) resulted in the task being accomplished, and at the end of the six-month trial period for the new weekly distribution plan, the recommendation was made for CBA to incorporate this ministry into the Pitcher and Cup Ministry of Urban Ministries of High Point, Inc., with full cooperation being given to them by CBA in their ministry.

February closed and March began with yet another "first". An overnight prayer retreat for BYW and BW members was held at Camp Caraway with 74 attending. Led by Sara Ann Hobbs, this retreat was truly a mountain-top experience in every sense of the word, and was considered by many to be the highlight of the 1974-75 Associational WMU events.

The following week, the home missions graded series was taught to all ages by volunteers from churches of CBA and two home missionaries. With laymen, RA's, and pastors joining WMU members, the attendance at this event was about 250.

In April, the mid-year annual session was held, centering on the theme LIVE LOVE. All parts of the program were aimed at inspiring those who attended, and the guest speaker, Nancy Curtis (BYW Director for N. C.) urged the approximately 250 who attended to live love as we let God live through us.

The remainder of the year was filled with various "behind the scenes" assisting the churches to grow and become stronger in their WMU organizations, and to plan for the coming year.

At year's end the WMU of CBA looks forward. Forward to the ever present challenges, to more changes, more growth, and to increased opportunities. For we still see much that needs to be done as we continue to be "laborers together with God."

CREDENTIALS COMMITTEE REPORT

The Credentials Committee met twice during the 1974-75 year. The first meeting was to give special consideration to the request of the Freedom Baptist Church to come into the Central Baptist Association. The Chairman of the Committee, the late Dave Boyles, conducted a thorough investigation of the pastor, Jesse Dennis, due to his prior independent leanings. After extensive research and several interviews with Jesse Dennis, the committee decided to recommend that the Freedom Baptist Church should be placed under the watchcare of the Association.

A letter from Jesse Dennis, dated March 31, 1975, stated that "due to the job situation and energy crisis we closed the Freedom Baptist Church". He further stated that he had accepted another pastorate in the Surry Association.

The Credentials Committee also met to consider the request of the Oak Grove Baptist Church to re-enter the Central Association. The church had called Joseph Lawson as pastor, who had been a member of the Lexington Avenue Baptist Church. After several interviews with the pastor and deacons of the church, the Credentials Committee voted to place Oak Grove under the watchcare of the Association for one year. This was approved in the 1974 Annual Session (1974 minutes, p.18).

CREDENTIALS COMMITTEE RECOMMENDATION

The Credentials Committee met with the recently called pastor of Oak Grove Baptist Church and a committee of 6 laymen at a called meeting on Sunday, October 19, 1975 at the Baptist Center. We enjoyed a very good sharing session with the pastor, Rev. Carrol Stine, and the Committee. They assured the Credentials Committee of the church's unity in their desire to become a member of Central Baptist Association.

The Credentials Committee now recommends that the Oak Grove Baptist Church be accepted as a member of the Central Baptist Association.

Respectfully submitted,
Bob Glasgow,
Acting Chairman

BAPTIST HOSPITAL REPORT

There have been many significant developments, in several different areas, at your Baptist Hospital during the past year.

By the time this report is read the new ambulatory care unit will be open, making possible enlarged and improved services for the Emergency Room, Outpatient Clinics, Physical Therapy and other departments. Renovation of the West Wing will be complete and renovation on the South Wing will begin in early August. The third floor of the Progressive Care Unit has been remodeled to provide 26 beds, therapy room and other improved facilities for Psychiatric services.

The long-awaited EMI-scanner is now in use and is already proving beneficial in detecting blood clots, tumors, strokes and other abnormalities of the brain.

A Family Practice Center opened July 1, 1975 to offer more primary medical care for patients and also to provide specialized training for physicians who choose to enter Family Practice.

During the year the hospital had its biennial review by the Joint Commission on

Hospital Accreditation. All areas of operation received an excellent report, but physician service, nursing service and administration all received especially high commendation.

Despite the continued rise in costs for services and materials the hospital has been able to operate in the black. The administration and department heads confer frequently and make diligent effort to see that the hospital operates as efficiently and economically as possible.

Gifts from the Baptist churches have been very gratifying. During the calendar year of 1974 the hospital received $258,898 through the Cooperative Program and $392,000 through the Mother's Day Offering. Hospital staff members have participated in Cooperative Program promotion in cooperation with the State Convention Division of Stewardship and Cooperative Program Promotion.

The Department of Pastoral Care has opened a counseling center in Raleigh, its second satellite center. Plans are developing for a third satellite in the western part of the state. The Department has established a scholarship fund as a memorial to Dr. Richard K. Young, the department's first director, who died December 31. Full re-accreditation was given the School of Pastoral Care in December by the Association of Clinical Pastoral Education.

During the past year Mr. Reid T. Holmes retired as President of the hospital, after serving in the hospital administration for 29 years.

Respectfully submitted,
L. H. Hollingsworth
Hospital Representative

BAPTIST CHILDREN'S HOMES REPORT

Christian child care provided by the Baptist Children's Homes of North Carolina is a cooperative mission. It was through the life, teaching and ministry of Christ and under the leadership of the Holy Spirit that North Carolina Baptists launched their child care ministry 90 years ago. Today it is recognized as one of the outstanding ministries of its kind in the nation.

The lives of more than 3,700 people were affected in a significant way through the services of the Homes during the past year. Daily care and related services were provided 1,524 children. Of this number, 1,061 were in continuing programs while 463 received casework, counseling, and referral services. While we were caring for the children, a close working relationship was maintained with 2,178 adults in an effort to re-establish homes and strengthen family realtionships.

New and exciting developments are in progress throughout the state. During the past year emergency shelters were opened in Charlotte and Forest City to meet the needs of children requiring immediate assistance. Both Broyhill Home and Mills Home will have a new cottage for children constructed during the next year. Progress is being made to expand facilities at Odum Home. Increasing numbers of families are opening hearts and homes for the care of foster children. All of these indicate a living, vital and growing ministry to people.

The award winning film, "The Mountain Within," meets with praise and appreciation wherever it is shown. It will continue to be available by request, either to the Communications Department of the Baptist State Convention or to the Children's Homes.

A cooperative mission requires that the parties involved have a clear, common purpose to which they are firmly committed, undergirded by mutual trust, and clear communications. These three factors characterize the relationships between

the Baptists of North Carolina and their Children's Homes. Through the Cooperative Program and the Thanksgiving Offering, Baptists throughout the state can share a commitment to Christian child care. In response, the staff of the Children's Homes is committed to translate this support into a dynamic ministry of love and concern for children and families in need. With God's continued blessing we will move together to fulfill our mission.

Frank Dingler
Children's Home Representative

BAPTIST HOMES FOR THE AGING REPORT

There has never been a year in the history of your Baptist Homes when more people have sought the services of the Homes. This has been true particularly of the aging sick person. Almost daily calls come from older persons, and their families, inquiring about admission to one of your five resident Homes and the Skilled Nursing Care Facility of the Homes.

Today there are some 21,000,000 Americans 65 and above, and this number, it is anticipated, will grow by over 300,000 a year in the years ahead. The needs of aging people are overwhelming, and we must strive diligently to meet those needs.

Although we can minister in our North Carolina Baptist Homes to only 230 persons at any given time, we have served hundreds of aging people through the twenty-four years that we have been on the scene at Resthaven, the Hayes Home, and the Nursing Care Unit, in Winston-Salem, and in our Homes at Albemarle, Hamilton and Yanceyville. As God continues to bless us and lead us, we will make every effort to expand our ministry and to reach out and halp as many older persons as possible in the years ahead. We can do this only by the grace of the Lord and by the increased concern and giving of our Baptist people.

Gifts for 1974-75 from our Baptist Churches, through the Cooperative Program and through the third Sunday of February Offering for the Homes, reflect a very encouraging increase. This is great, and we are grateful especially since four out of every five persons who live in our Homes depend upon these love gifts for their care!, Your love gift is a lifeline to these deserving older persons, and they could not be cared for in the majority of cases if it were not for you.

Signs on the horizon indicate that we will need greater financial support for our Homes for the Aging from our Baptist people than ever before.

The most exciting development in the family of your Baptist Homes for the past year has been the experience of obtaining one of the most beautiful locations in the Blue Ridge mountains of North Carolina for the proposed Western North Carolina Baptist Home. This site is a twenty-one acre tract of land overlooking the city of Asheville, better known as the Pearson Estate, on Richmond Hill, in Northwest Asheville. God Himself, we feel, has guided us in discovering this beautiful site.

Plans are in the making now to raise $1,000,000 for the construction of this new proposed Western North Carolina Baptist Home. These plans initially will include 50 rooms for residents, with living room, dining room, library, chapel and activities room, and other necessary rooms.

Pray for the ministry of your Baptist Homes for the Aging. Know that your ministry to even one of these dear older people is a ministry as unto Christ Himself.

BIBLICAL RECORDER REPORT

Baptist State papers claimed more attention than usual at the 1975 meeting of

the Southern Baptist Convetion in Miami Beach this year. In the celebration of the 50th anniversary of the Cooperative Program, it was revealed that they had played a tremendous part in the growth of our denomination. Louis D. Newton, denominational statesman and former editor of Georgia's *Christian Index,* introduced all the 33 editors of state papers and made a comparison of circulation of each in 1975 with that of 1925 when the Cooperative Program was born. Many were not in existence at that time, however, but this in itself reveals something of Southern Baptist growth.

In giving a special committee report on state papers, H. Franklin Paschal, pastor of First Church, Nashville, Tennessee, reported that present circulation is 1-¾ million and recommended that the convention reaffirm its goal of getting a state paper into two million Baptist homes by 1980. The committee recommended a vigorous campaign in all states to help accomplish this, and also recommended that state papers be incorporated in all local church budgets.

The *BIBLICAL RECORDER* is one of those 33 state papers, and one of the oldest, and, we hope, one of the best. In spite of continued problems for religious publications because of inflation, and skyrocketing postage costs, the circulation of the *RECORDER* remains above 111,000. Congregations including it in their budgets for all their families are the ones which have an informed membership. It is our hope that North Carolina churches will take seriously the recommendation reaffirmed at the Southern Baptist Convention that state papers be incorporated in local church budgets for all their member families. Already more than 1,000 churches in North Carolina are doing this, and more congregations do so each year. Pastors and deacons should initiate such action, and it should be supported by all the organizations in the church.

The *BIBLICAL RECORDER* has covered many sensitive issues this past year. Words of appreciation have come from Baptist people all across the state, for they are aware that "an informed people is the bulwark of Baptist democracy."

The *RECORDER* continues to operate on a limited budget, and with an altogether too small staff. Local churches can help us by understanding these limitations, and by renewing their subscription plans promptly.

Ray K. Hodge, pastor of First Church, Kinston, says: "One of the easiest tasks I have had as a pastor is to lead churches to include and keep the denominational paper in the church budget. It is such a bargain that trying to save a few dollars (by not subscribing to it for our families) is too costly. It would be like saving the expense of regular visits to the dentist, only to pay more in various ways later."

His advise is well taken.

Respectfully submitted,
J. Marse Grant, Editor

REPORT ON SOUTHERN BAPTIST RESETTLEMENT OF INDOCHINESE REFUGEES

Southern Baptist churches along with other Christian groups in the United States were confronted during the latter days of April with an unparalleled opportunity and corresponding responsibility when the U. S. Government evacuated over 130,000 Indochinese refugees and placed them in several refugee camps awaiting sponsorship by concerned U. S. Citizens.

The Foreign Mission Board immediately assigned missionaries who had formerly served in Vietnam to minister to refugees in the camps. The Home Mission Board's Department of Language Missions through its office of Immigration and Refugee

Service immediately set up a process for enlisting sponsoring churches and matching them with refugee families. Local pastors, directors of associational missions, HMB missionaries from the Language Missions Department and the Christian Social Ministries Department all joined in the effort to assist in the massive project.

The first phase was the ministry to the refugees within the camps. Southern Baptist personnel provided opportunity for worship in the Vietnamese language, assisted in English language classes, helped care for the younger children and provided counsel to these newest immigrants.

Phase two was the sponsoring out of the refugees to committed churches or families endorsed by churches. This involved the processing by the U. S. Government through security checks, medical clearance, social security numbering, and the selection of one of the voluntary agencies for sponsor assignment. The Office of Immigration and Refugee Service in Atlanta and Baptist workers at the various camps secured the names of sponsors and followed through on the process—from initial contact by the refugee to his arrival at his new home. As of the early part of September Southern Baptist churches had sponsored over 400 units and approximately 2,000 refugees.

The third phase of the refugee program is the post resettlement ministry. A former missionary to Vietnam, Mr. Lewis Myers, has been assigned by the Foreign Mission Board to the Department of Language Missions, Home Mission Board, to serve as consultant on Vietnamese refugees. Though they are scattered throughout the U. S. larger concentrations of the refugees are living in the cities of the warmer climates, such as San Diego, Los Angeles, Fort Walton Beach, Orlando, Houston, San Antonio, Dallas, Fort Worth, and Birmingham.

As they have in the past, Southern Baptists have responded well to the need of these who have had to flee their own country. There is much yet to be done. In the earlier stages the better educated, the more highly qualified, the smaller family groups were sponsored out. The thousands still in the camps are those for whom it is more difficult to find sponsors. These include the larger families of six or more and a number of single men. Perhaps these are the ones for whom we should have greater compassion. Sponsorship involves providing for the refugees until they can take care of themselves. It necessitates the provision of housing, food, clothing, normal medical expenses, and assistance in finding employment. It may also involve helping them to learn English, how to shop in American stores, understanding the law, learning to drive and other activities that many of us take for granted. It also provides an opportunity for Christian witness.

If there are churches in your area that are interested in sponsoring a refugee family, they may contact the Office of Immigration & Refugee Service at the Home Mission Board in Atlanta or call directly to one of the remaining refugee camps—Fort Chaffee, Arkansas; Camp Pendleton, California; and Indiantown Gap, Pennsylvania.

CHRISTIAN HIGHER EDUCATION REPORT

COLLEGES ACTIVE IN MISSION SUPPORT

Baptist colleges in North Carolina see themselves as active participants in the Christian mission to share the Gospel of Jesus Christ with all people everywhere. In addition to the important role of preparing future lay leaders for local churches, the colleges continue a strong emphasis upon ministerial and church-related vocational training.

In April of 1975, our seven colleges reported a total of 715 persons who were

preparing for careers in church leadership. Most of these persons will complete their preparation by attending a seminary. Southern Baptist seminaries listed an enrolment of 303 graduates of North Carolina Baptist colleges in the spring of 1975. The Foreign Mission Board has under appointment 152 of our graduates at present, more than 6% of the total number of current missionary personnel. In addition, a significant number of Baptist college trained persons serve in strategic posts with the Home Mission Board, Baptist state conventions and associational missions throughout the Southern Baptist Convention. Baptist college students receive excellent experience and training for church and missionary service through Baptist Youth Corps. Approximately 100 Baptist college students were assigned to churches for the summer of 1975. The colleges furnish one-half of the Youth Corps worker's salary, and thus enjoy a vital partnership with churches and students in summer mission work.

COOPERATIVE PROGRAM VITAL TO COLLEGES

With the exception of what students pay, the Cooperative Program continues to be the largest single source of annual income for our colleges. In these days of financial uncertainty, the colleges are grateful for the level of support which North Carolina Baptists have maintained. During 1975, the anticipated Cooperative Program budget for the colleges will provide: Campbell College, $416,066; Chowan College, $263,333; Gardner-Webb College, $329,166; Mars Hill College, $360,776; Wake Forest University, $639,900; and Wingate College, $263,333.

It is accurate to say that the ministry of North Carolina Baptist colleges, as we know it today, is the direct result of Cooperative Program support.

BAPTIST COLLEGE DAY

Another way the churches help to relieve the colleges' financial burden is through the annual offering on Father's Day. Designated for student aid, this offering gives much-needed assistance to many students from Baptist churches, making an education on a Christian college campus possible.

THE NEED TO ENROLL BAPTIST STUDENTS

Pastors and other church leaders can assist their young people and our colleges by encouraging attendance at a Baptist college. Information is available in brochure form, free of charge, from the Council on Christian Higher Education of the Baptist State Convention in Raleigh. Each of the colleges pledges to North Carolina Baptist young people that no qualified student will be turned away for purely financial reasons. Through grants, loans and work scholarships, an education is available for anyone who seriously seeks it.

A PLEDGE AND A PLEA

North Carolina Baptist colleges are committed to Christian values, and to an active partnership with their fellow-Baptists in evangelism, missions, education and social concern.

Your Baptist colleges sincerely solicit the supportive prayers of North Carolina Baptist churches, that we will be aware of and receptive to Divine guidance in performing the work which we have been given to do.

STEWARDSHIP AND COOPERATIVE PROGRAM REPORT

The faithful stewardship of individual Christians and the missionary vision of our

churches, expressed through their support of the Cooperative Program enables Southern Baptists to maintain a growing World Missions Program at a time when many others are having to reduce their outreach.

The sun never sets on your offering through the Cooperative Program, and it goes to help evangelize, to teach, heal, as well as preach the Good News of God around the world. Consider how your gifts are used in God's service. More than 5,000 missionaries at home and in over 80 nations abroad receive a salary each month from your Cooperative Program dollar. These are the called of God to go preach, teach, nurse, doctor, and do many other tasks. They have gone out from our churches to serve God as He directs them. Moreover, the aged, the sick, the widows, and homeless children have been helped by your gifts.

Last year, 1,026 churches increased their gifts through the Cooperative Program by 15 percent or more, and three associations in our state had 100 percent of their churches giving through the Cooperative Program.

To celebrate the 50th Anniversary of the Cooperative Program let us commit ourselves to do four things:

1. Each church increase its gifts to the Cooperative Program by 15% or more.
2. Pray for your home and foreign missionaries at each service in your church during October.
3. Contribute through the Cooperative Program every month.
4. Have a stewardship workshop in the Association.

Respectfully submitted,
Bill Underwood
Stewardship Chairman

ANNUITY BOARD REPORT

The Southern Baptist Convention Annuity Board serves as a lifeline of support for 10,034 retired pastors and other church-related workers or their widows.

During 1974, the Board paid about $15½ million in retirement and other protection benefits to these annitants. In the Board's 57-year history, it has paid a total of over $125 million in retirement and protection benefits.

The Annuity Board also holds in trust and invests retirement contributions from 38,000 pastors, other church staff and denominational employes—which will be be converted into annuity benefits when they retire.

These funds held in trust amount to a record $353,445,743. While this seems a large amount of money, it needs to be noted that this must be divided by the number of future annuitants it will serve for the remainder of their lifetimes after retirement.

The Annuity Board would have enjoyed its best year ever in 1974, but the stock market's downturn intervened. Realized and unrealized losses in income from bonds, short-term investments, and common stocks amounted to $21 million.

Gains in other investments reduced the net loss to $11.3 million, or three per cent based on average investments. All investment funds, whether church-related or having other connections, suffered from the stock market decline.

As the stock market began to recover in early 1975, the losses also began to be recovered, Board President Darold H. Morgan said.

In December, 1974, the Board issued a 13th Check to annuitants. It amounted to more than $675,000 and was equal to one month's benefits. It is called a 13th

Check because it is issued above and beyond the 12 regular monthly benefit checks distributed to annuitants.

Additional information about the Annuity Board may be obtained through the Development Office, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.
